

W. F. M. S. REPORT.

The Women's Foreign Mission Society have held their meeting regularly during the year, with an average attendance of about 7 members. There are 15 members enrolled who pay the regular admission fee of 25¢ a member per year. Besides these there are a few of the ladies in the congregation who contribute thro' the mite boxes, but we are sorry to notice a steady decrease of these members each year; notwithstanding this our contributions for '96 is \$37, being the same amount as last year. The "free will" offering is the only means used in raising the funds of this Society. A large bundle of second hand clothing, valued at about \$40, was sent out to a certain Indian reserve in the N. W.

REPORT OF SABBATH SCHOOL.

The work of the S. S. has been carried on during '96 with a good measure of success, encouragement and interest. The classes have been fairly well filled. If any of the children are not in attendance, send them along. Let all parents and older members of the family help the children with their lessons. The Pastor cordially invites all the young men and women of the congregation to the Bible Class. It will do you all good. \$27.74 was raised and \$27.62 expended during the year. The teachers have decided to ask monthly collections from the children in aid of the Point-Aux-Trembles School in order to train them in mission work. Pray for and encourage the teachers who for love's sake devote so much time to the spiritual education of your children.

T. M. MCGILL, Superintendent.
