ARE YOUR EYES TO BLAME? Don't try to stop pain until you have found the cause. Get at the root of the trouble first, and remember pain is only nature's message that something has gone wrong. Take headache for instance; do you suppose for a minute that the tablet or powder you take to relieve it is in any sense a remedy? You merely drag the nerves so that they no longer give their warning. 90% of all headaches are from defective eyes, and it is our pleasure as well as our business to provide you with glasses that stop the suffering once and for all, by correcting the cause.

ECZEMA

Mr. Ed. Halder, Franco, Sask.
The majority of these patients have tried Hot Springs, Aix, Bath, etc., and all kinds of remedies before coming to my place. If your disease will not yield to this treatment it will yield to no other. I will give you more results in ten treatments than you will receive at Bath or any other place in thirty.
Send a stamped envelope to one of these patients and find out for yourself, or write for testimonials.
These treatments are the greatest "Prophylactic known. Sweating will cure the skin; therefore sweating will prevent it as two-thirds of the impurities must come out through the pores of the skin, and a thoroughly healthy body will catch nothing. Medicine acts one part of the body to help the other, and that is the stomach, and no man is stronger than his stomach. Don't put poison into the system to drive out poison, as your Heart, Liver and Kidneys are overworked trying to rid the system of the poison that is there already. Therefore help it out through the natural way and that is through the pores of the skin. The skin is one of the most important of these organs. The function of the pores is to carry away the poisons for the blood. "Larsen's Latest Sweating System and Scandinavian Method" simply aid nature in this important process.
