schooners at St. John's, Nfld. A National Evil

There is no question but that Dyspepsia is the national disease of our country, and when complicated with diseases of the Liver and Kidneys is the cause of untold misery. Burdock Blood Bitters will almost invariably cure the worst case known. Mr. D. M. Cameron, M.P., has been re ominated for the Commons by the West Middlesex Reformers.

The comedy of Sir John and his organ, the Mail, is still kept up. Among some of the questions which the Mail has promised to deal with since it entered upon its "independent" career, is that of temperance. Of its attitude on this question The Mail and Sir John in their time

The Mail and Sir John in their time have no doubt played many parts, but we question if they have ever ventured on anything so utterly out of keeping with all their sutceedents as this threatened crusade in favor of temperance drinks and universal prohibition. We thought they were pretty hard pushed, but we did not imagine that they were so thoroughly in the regions of despair, as this new departure seems to indicate. Of course the dodge is transparent enough. Sir John will, dodge is transparent enough. Sir John will, as in duty bound, keep square with the liquor interest. He will in due time again repudiate the Mail, while he will wink all the time in the devout hope that his Transparence Concentrations will follow the
