#### MOOSE INVADE ST. JOHN CITY

Three Big Ones Came in This

It Came in Response to An Invitation.

The small boy is in his glee today.

moose—a big, black, good-natured

o'clock this morning. Starting at In-diantown, it rambled about until it reached Lower Cove, followed by a A moose on the streets of St. John is

behind him. He hardly had time to turn his head when the big animal rushed past, barely escaping the wheel. Mr. Mullin's hair stood up. The next man to see the moose was James T. Carpenter, of North End. Since then it has been seen by pearly everyone in town.

The moose made its way through Paradise row, into Winter street and up Summer street. There it was seen shortly before seven o'clock in Conductor James Millican's field browsing. It

which rambled about the streets today must be conscious that this is the close season and that he is, therefore, immune from molestation. No other reason can be imagined for his bold entrance into this habitation of human description with the connection with the co

the woods near the park, where it was mands that the vessels shall trave

was a much troubled man this morning. Mr. Raymond has a reputation from the Atlantic to the Pacific of taking the best of care of his guests, and to his friends today he told of his deep to his friends today he told of his deep to his friends today he told of his deep to his friends today he told of his deep to his friends today he told of his deep to his friends regretted their inability to attend the tercentenary celebration, but promised to come later. They had at first some doubts as to their safety, but Mr. Raymond explained the game laws, that the female was in no danger what-ever, while her companion was safe in

Jones, who lives on Wright street, but was misled and got into summer street. Later on visiting Dorchester street it found my house locked up. A mean welcome after all my covered up. mean welcome after all we promised to
do. It is certainly too bad, too bad."
Then of a sudden his face brightened
and he asked this question that staggered the reporter:
"Why didn't the blame thing tele-

readily as work for men.

WEATHERHEAD-On the 9th inst.,

## RECENT JAP VICTORY WAS GREATEST OF WAR.

One Made Itself Perfectly at Home The Rout of the Russians Was Complete A Heavy Sentence for Mag Sullivan 65 above. -- Russians Claim Japs Have Lost 23,000 at Port Arthur.

A mose on the streets of St. John is an unusual sight, and in the present case aroused keen interest. People did not hesitate a moment to go two othresistate a moment to go two othresists and the feel of the feel go that the feel of the feel go the feel of go the feel go the feel of go the feel go the feel of the feel go the feel go the feel go the feel of go the feel go

up Summer street. There it was seen shortly before seven o'clock in Conductor James Millican's field browsing. It was not long before a crowd had assembled. After remaining in the moose latter was the high orn, which the Russians in the charges of the Japanese fing it and giving it water to drink, which it accepted with evident gratefulness.

Two other moose were seen symming in the harbor this morning. One of the ferry. They landed on the Carleton side and made their way to the woods. John Biddington and friend, while ferry. They landed on the Carleton side and made their way to the woods. John Biddington and friend, while first morning ones of the first and cow moose. Different people report meeting moose near the city.

Some believe that the big animal
