Burke of Toronto to whom an invitation had been sent, requesting him to address a meeting in St. John, was brought up and found that in his reply he mentioned the dates of January 2nd or 3rd. It was decided to have him speak on Sunday, January 2nd.

HOW TO CURE RHEUMATISM
The Disease is in the Blood and Must be Treated Through the Blood.

There are almost as many ways of treating rheumatism as there are doctors. Most of these treatments are directed at the symptoms and are considered successful if they relieve the pain and the stiffness. But the pain and the stiffness return particularly if the patient has been exposed to dampness. This shows that the poison was not driven from the system by the treatment employed. Rheumatism can be relieved in a number of ways, but there is only one way to cure it, and that is through the blood, expelling the poisonous acid that causes the aches and pains and stiffness. To relieve and enrich Dr. Williams' Pink Pills which go right to the root of the trouble and cure rheumatism to stay cured. The following is an example of what Dr. Williams' Pink Pills can do to cases of this kind. Mr. Henry Smith, St. Jerome, Que., says:—"For upwards of a year I was a victim of rheumatism in a most painful form. The trouble was located in my legs and for a long time was so bad that I could not walk. The suffering which I endured can only be imagined by those who have been similarly afflicted. Doctors' treatment did not help me and then I began trying other remedies but with no better results. Finally I was advised to try Dr. Williams' Pink Pills, and although I had begun to lose faith in medicine, I finally decided to give the pills a trial. I am very grateful now that I did so, for after taking eight boxes of the pills the trouble completely disappeared. I was free from pain and could walk as well as ever I did in my life. I have since taken the pills occasionally as a precautionary measure and I cannot speak too highly in their favor. You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont."
