Changes in train service on Canadian National lines effective February 27th do not affect greatly the time of arrival and departure of trains...

The time of other trains is not affected and other services remain unchanged. For other information apply at City Ticket Office, 49 King street.

A Successful Man

Among the notable professional men of this country who achieved great success along strictly legitimate lines was Dr. R. V. Pierce. Devoting his attention to the specialty of women's diseases, he became a recognized authority in that line.

His work, "The Common Sense Medical Adviser," is now in three million homes in this country and Europe. At one time Dr. Pierce represented his home district in Congress.

Fifty years ago last winter, this noted physician gave to the world a Prescription which has never been equalled for the weakness of women. Many women in every hamlet, town or city will gladly testify that Dr. Pierce's Favorite Prescription did them a world of good.

Another of this great physician's successful remedies is known as Dr. Pierce's Golden Medical Discovery and, like the "Prescription," is now sold by druggists everywhere, in both liquid and tablet form. The list of men and women all over the universe who have successfully used it for indigestion and as a blood tonic and system builder, makes an amazing total of thousands.

If you desire a cloth-bound copy of a new edition of the "Medical Adviser" by Dr. Pierce, send one dollar to the Invalids' Hotel, Buffalo, N. Y. It is a book of 1000 pages of ready reference. For those not within easy reach of professional aid at critical times, and in cases of emergency or dangerous accidents, it is invaluable.

Dr. R. V. Pierce, former minister of agriculture, who has been seriously ill at his home here for some time, was this morning reported to be considerably improved.

Mr. Fisher, it was said, was still very weak, but there has been a decided change for the better in his condition.
