Tired of Maximo Gomez

HAVANA, Jan 5-General Maximo

Suggestions to this effect have been communicated to the United States military administration, which, although well disposed to General Gomez, is pleased to receive any and all prominent Cuban gentlemen who are willing to discuss public question. General Brooke has declined a proposal to send a special envoy into the woods to find Gomez and to treat with him as un equal power in the island.

But the Junta Patriotica has deputed Generals Betancourt and Cardenas to Generals Betancourt and Cardenas to invite Gomez to reside near Havana and invite Gomes to reside near Havana and to give the Cubans the benefit of his counsel. They will start in a day ostwo for Jimaguayabo, where he is. Gomes continues in his correspondence cautiously to criticies the Americans. La Libertad refers to a letter today written to the junta, in the course of which Gomes says that he will not enter Havana unless at the head of the Cuban army. army.
