\$5,000 For Kings College

Toronto, May 14th.—The estate of the late Rev. Jacob Jehoseph Salter Mountain, of Cornwall must pay \$5,000 to Kings College, Windsor, N. S.

Mr. Justice Kelly says "The statement made in the will, and the letters indicate that \$5,000 was payable at his death. There is also evidence in his own written acknowledgment that the note was delivered over. From this I find a clear intention to make the payees creditors of his estate. It is evident that he adopted this course deliberately, so as to place the holders of the note in the position of creditors rather than of legatees."

Mr. Allison Campaign is Coming Along Well

Sackville, N. B., May 15.—The maritime canvass to raise \$200,000 endowment fund for Mount Allison University has been successful with the little community of Sackville raising practically \$35,000 to complete the endowment fund, and more amounts coming constantly from outside points.

The campaign will be continued vigorously to raise the \$50,000 needed for the Science building, and many smaller points not yet visited will be canvassed. Only a small portion of the Moncton report is in and thousands more will be forthcoming from that city.

Toronto Man to be Married by Proxy

Toronto, May 16.—Benjamin Van Hesse, of 307 High Park Avenue, salesman for the Harris Abattoir Company was married in Holland Tuesday night by proxy, while he slept in Toronto. It was probably the first time that a man residing in Toronto was married to a girl thousands of miles across the sea, without himself being present at the ceremony. The bride is Diana S. Louis, of Amsterdam. Capt. Lefman a life long friend of the groom, was his proxy at the altar.

Woman Met A Terrible Death

Berlin, May 19.—A woman making a trip in a Swiss balloon met a terrible death near Munich Sunday. When the balloon was close enough to the ground for the occupants to alight, one of the aeronauts fell out and the balloon shot upward. The woman had begun to climb out of the car and as the balloon ascended, she was unable to get back into it. The car was swaying to and fro and the other aeronaut grabbed the woman and tried to pull her back to safety but was unable to do so. He held on, nevertheless, until the balloon had reached a height of 600 feet, when his strength gave out and the woman fell.

Does Ma Wish She Was Pa?

"I wish I had a lot o' cash." Said pa, one winter's night; "I'd go down South an' stay awhile, Where days are warm an' bright, He set an' watched the fire die— (Seemed lost in thoughtful daze), Till ma brought in some fresh pine knots. An' made a cheerful blaze. "I wish I had a million slares O' stock in Standard Oil," Sez pa; "I wouldn't do a thing." Ma made the kettle boil, An' mixed hot biscuits, fried some ham An' eggs (smelt good, you bet!), Fetched cheese and doughnuts, made the tea; Then pa—set down an' et! "I wish I was a millionaire," Sez pa, "I'd have a snap." Next from the lounge we heard a snore; Pa—at his ev'n'n' nap! Ma did the dishes, shook the cloth, Brushed up, put things away, An' fed the cat then started up Her plans for bakin' day. She washed and put some beans to soak, An' set some bread to rise; Unstrung dried apples, soaked 'em too, All ready for her pies; Then darned four pairs o' socks. Pa woke an' sez, 'It's time for bed! Ma, have you wound both clocks?"

RAILROAD MAN HAD TO LAY OFF

Until He Took GIN PILLS

Buffalo, N.Y. "I have been a Pullman conductor on the C. P. R. and Michigan Central for the last three years. About four years ago, I was laid up with intense pain in the groin, a very sore back, and suffered most severely when I tried to urinate. I treated with my family physician for two months for Gravel in the Bladder but did not receive any benefit. About that time, I met another railroad man who had been similarly affected and who had been cured by GIN PILLS, after having been given up by a prominent physician who treated him for Diabetes. He is now running on the road and is perfectly cured. He strongly advised me to try GIN PILLS which I did—with the result that the pains left me entirely."

What the Borden Government Has Done For the Dominion

Ottawa, Ont., May 12.—The Minister of Finance today brought down his budget. The financial statement showed the Dominion to have reached a pitch of prosperity never before attained, a trade over a billion, a surplus over consolidated fund of fifty-five millions, and a reduction of over twenty-three million dollars in the national debt.

The Minister's exposition of the national finances was clear and concise. He allowed his figures to speak for themselves and the statement, as he unfolded the story of unexampled prosperity, evoked frequent outbursts of applause. The total revenue for the last year had amounted to \$168,250,000 an increase of \$32,000,000 or almost the total of the country's revenue of twenty years ago.

The development of the country had called for larger outlays, but these had not exceeded \$113,250,000 on current account. The expenditure on capital account had amounted to \$33,000,000 and with an allowance of \$1,300,000 for sinking fund there was left the sum of \$23,300,000 toward the reduction of the debt. The net debt now stands approximately \$316,629,460.

For the current year, he said, in view of the financial stringency, the same rate of increase as had been shown last year in the revenue could not be expected. He believed, however, that there would be enough to meet all consolidated expenditure and all or most of the outlay on capital. The estimates for the year would probably amount to nearly \$200,000,000 but it was not usual to spend the full amount. The government's policy would be one of continued effort in behalf of the country's interests.

Amherst Child Burned to death

Amherst, N. S., May 9.—An accident attended with fatal results occurred this evening at the home of Mr and Mrs Hector B. Lewis, when a two-year-old child was burned so badly that it died from the injuries. Mrs Lewis went out of the house for a few minutes on a brief errand to a neighboring store and left the children alone. A lad of four or five got a lighted stick which he waved in the air across the kitchen. It came in contact with the clothing of the two year-old child, who was instantly wrapped in a mass of flames. Mrs Lewis returned, and when she endeavored to beat the flames out with her hands, was severely burned. Medical aid was summoned but nothing could be done to save the child.

Freckles

Don't Hide Them With a Veil. Remove Them With The Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear beautiful complexion that it is sold by Clark's Drug Store under an absolute guarantee to refund the money if it fails to get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely. Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.
