

# THE CARIBOO TRAIL

¶ Perhaps in no other country in the world is there a more interesting, more varied or more picturesque stage route than that known as the Cariboo Trail in British Columbia. In the February number of *THE CANADIAN MAGAZINE* Mr. Frank Yeigh will describe in charming style a trip over the trail, and reproduction of excellent photographs of scene along the route will illustrate it. This will prove to be a particularly interesting contribution.

¶ Mr. M. O. Scott will contribute an illustrated article to show what has been done to beautify the city of Ottawa.

¶ There will be an illustrated article by Mr. Bonnycastle Dale on Duck Shooting.

¶ "The Last Letters of Wolfe and Montcalm," by Mr. H. V. Ross.

¶ The narrative of Col. Fanning will be continued.

¶ Dr. Louis Frechette will tell about the legendary trial and execution of La Corriveau.
