

7. In case of a Poll being so demanded, the Returning Officer for each Electoral Division, in such township, shall cause a Poll to be opened at the Polling place appointed in such Division, on the first Monday in January following, and shall take the votes in the same way and keep the Poll open for the full time required by law for taking the votes, in cases where no Electoral Division shall be established. 5

8. Every Returning Officer shall, on the day after the close of the Poll, return the Poll-Book to the township clerk, verified under oath before the said clerk, or any Justice of the Peace for the county or union of counties in which the said township may lie, as to the due and correct taking of the votes for the said Electoral Division. 10

9. The Township Clerk shall add up the number of votes set down for each candidate in the respective Poll-Books, and ascertain the aggregate number of votes, and shall at the Township Hall, or such other place at which the nomination was held, at noon of the day following the return of the Poll-Books, publicly declare the same, beginning with the candidate having the greatest number, and so on with the others, and shall thereupon publicly declare elected, the five candidates respectively standing the highest on the Poll. 15

10. In case two or more candidates have an equal number of votes, the said clerk, whether otherwise qualified or not, shall give a vote for one or more of such candidates so as to decide the election; and except in such case, no Township Clerk shall vote at any such election. 22

11. This Act shall be taken and read as part of the Act intituled; "An Act respecting the Municipal Institutions of Upper Canada." 25
