

You Can't Leave the Beard Behind So Don't Forget the Gillette

THE hearty open-air vacation life seems to make the beard grow as it never grew at home. To the man without a GILLETTE it becomes a downright nuisance.

Cleanliness, comfort and self-respect demand the morning shave. But boats, trains, summer resorts and camps provide scant shaving facilities.

That never worries the man with a GILLETTE Safety Razor in his grip or his pocket. In lurching cabin or swaying Pullman--on the back porch or beside a convenient stump--wherever the morning finds him--he can enjoy his regular three-minute GILLETTE shave in solid comfort, with a lordly independence of place or circumstance.

Pack your grip with discrimination. Travel light. Leave out the "unnecessaries" of life. But whatever you do, don't discount your holiday by starting out without "the Razor of To-day."

The Standard Set shaves just as well on the road as at home. But many men find it worth while to own a Pocket Edition or a Combination Set as well, because of their extra convenience when travelling.

**Standard Sets, \$5.00. Pocket Editions, \$5.00 to \$6.00.
Combination Sets from \$6.50 up.**
