Ottawa, November 20, 1935.

Dear Mr. Meighen:

I enclose herewith a letter from Mr. Roy, of  
St-Pie, P.Q., and suggest that you wire him whatever  
you may decide is the wisest thing to do. You will  
note in my reply, copy of which I also attach, I have  
intimated you would be prepared to go to Bagot, providing  
there is a desire on the part of the Conservatives in the  
riding that you should go. I have not seen Senator  
L'Esperance since you left, and, following your wish  
and instructions, I am leaving the matter in his hands  
and not interfering. This is the first letter I have  
written to anyone on the subject.

I thought it inadvisable to say anything to Roy  
in the way of discouraging him from dealing with Mr. Rogers,  
as apparently Roy reposes great confidence in Rogers,  
as evidenced not only by his letter but from what he said  
to us when we had a conference with him in your office,  
hence the desirability of handling the matter very carefully.

Yours sincerely,

Rt. Hon. Arthur Meighen, M.P.,  
Southern Pines, N.C.,  
U.S.A.
