claiming the Guts more than it is our party. This also will make the proposed cooperation all the easier.

My idea is this. The Liberals who will join us must agree to cross the floor during the first debate next session. They will be expected to support us through the session with the assurance from me that they will receive cabinet representation after the session is over.

We shall amend the Assembly Act or Election Act to remove the necessity of by-elections in the case of those taken into the Cabinet. We shall then go on until 1934 before we call an election. We shall go to the province as a "Co-operative" Party. I shall
