St Catharines 25th Sept 91

R. Landon Esq
President I.O.R.

Dear Sir

In reply to your enquiry about improvements on Indian lands taken by the I.O.R. I may state that the line passes through no improved land on either Reserve. The portion of the Okanagan reserve bounded by the Railway is wild land enclosed by a very old rail fence and on the Spallumcheun reserve the land is of the same character without fences or improvement of any kind.

Yours very truly

J.W. Robinson
