NOTICE

1. This should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to file it in one of those files than have it out of Central Registry indefinitely. This measure is being emphasized and kept in order, and also gives other offices the opportunity to use copies.

2. Central Registry should be notified whenever a file is given direct to another branch.

3. Outgoing letters should bear the official file number.
