June 25, 1942.

Dear Sir:-

With reference to your letter of May 26th, I beg to forward herewith a photostat copy of the field notes and plan of the resurvey of Comox Indian Reserve No. 1. This resurvey was made by Mr. Leroy S. Cokely, B. C. L. S. in March 1925.

As the resurvey was made only 17 years ago, the posts marking the boundaries as re-established by Mr. Cokely should still be in position and, should not be difficult to locate, nor is it at all likely that a further survey, at this time at the expense of the Department would be considered.

Please return the enclosed notes once they have served your purpose.

Yours faithfully,

W.  
Encls.
