Gentlemen,

Referring to your telephone call of this morning regarding
Protectograph Check Writer.

We do not anticipate that you will find any difficulty in the
adjustment of the handle and check table if you follow instructions as
enclosed with machine.

At present we do not have a representative in your city but
in the near future one of our men will be there when he will call on
you and see that every satisfaction is given you.

Should you be unable to adjust the parts we trust the slight
delay will not inconvenience you.

We are,

Yours truly,

Per The R. E. Holland Co.
