Minard's Liniment for Sale Everywhere.

That Hacking Cough!
Keeps You Awake at Night?

Then Get Rid Of It.

Stop and consider that neglected coughs and colds, if not cured immediately, are followed by Bronchitis, Pneumonia, Catarrh, and Consumption. Better cure your cold now with a few doses of

DR. WOOD'S NORWAY PINE SYRUP.

It is a pleasant, safe, and effective medicine that may be confidently relied upon.

Mrs. Brenton Smith, Pembroke, N.S., writes: "Some time ago I was troubled with a bad cough, and thought I would try your valuable cough mixture, Dr. Wood's Norway Pine Syrup. I purchased a bottle, and as soon as I began taking it I could tell it was helping me. I kept on, and in a short time my cough was cured. I would advise anyone suffering with a cough to get a bottle, for it will soothe, heal and cure."

Price 25 cents.
Get Dr. Wood's. Refuse substitutes.

THE T. MILBURN CO., LIMITED,
TORONTO, ONT.

Mistaken Id.

The woman thought that she recognized the cherubic little boy sitting next to her in the street car, and when the conveyance made a long stop at an open bridge she undertook to make the waiting passenger her small fellow passenger.

"How is your little sister to-day, Tommy?"

"Hu!" snorted the offended small boy, lifting an indignant countenance that was not Tommy's. "Where'd I get any sister, I'd like to know? I haven't ever been married!"

SELL YOUR COLD FOR \$1!

You surely won't stop at a dollar bill to cure that horrid, sniffling cold? Go to any druggist and get "Catarrhose" and your cold will be a thing of the past. There is almost nothing in the world as swift as Catarrhose kills colds. But when you consider the penetrating, healing and antiseptic qualities of Catarrhose perhaps it's not so wonderful. Certainly there is no remedy half so prompt for colds and catarrh as Catarrhose. Refuse a substitute and insist on having only "Catarrhose."

Never Touched Him.

The old man paused at the parlor door on his way upstairs.

"Don't forget, young man," he said, "that the lights in this house are all out at 10 o'clock."

"Thanks," rejoined the young man, who was helping the fair maid to hold the sofa down, "but—er—couldn't you make an exception tonight and put 'em out an hour earlier?"

BROKEN SLEEP—TIRED NEXT MORNING.

Sleep not only rests, but builds up the body. It restores the hours of sleep, and you cut down health in the same proportion. Rebuilding then ceases, nerves go to snafu, you grow tired, weak and wretched.

To restore sleep you must get more bodily strength. More nutritious blood, healthier nerves. Perfection solves the whole problem, makes you sleep soundly, gives endurance, vim, ambition. No more morning weakness—instead the fire of youth will run in your veins, supplying abundance of energy and vigor. Withery expresses the instant effect of Perfection; try it.

Feeding the Dairy Cow.

Grind grain for dairy cows and feed all roots. This preparation of the feed renders the assimilation by the cow less laborious. Where labor is cheap it would appear that preparing feed in this manner is profitable. If labor is very high it may pay to omit the grinding of the grain and slicing of the roots.—American Agriculturist.

YOUR WORN-OUT STOMACH.

What it needs is the strengthening influence of Dr. Hamilton's Pills—they work marvels where the stomach and digestion are poor. In one day the appetite increases and the whole system is rapidly strengthened. No stomach specialist could write a better prescription than Dr. Hamilton's Pills of Mandrake and Bitteraut. At all dealers in a yellow box, price 25c., or five boxes for one dollar.

The man of much talk always appears anxious to anticipate what others are going to say.

Coughs, colds, hoarseness and other throat ailments are quickly relieved by Cresolene Tablets, ten cents per box. All druggists.

Negligence is the rust of the soul, that corrodes through all her best resolves.

Lifeway Soap—disinfectant—is strongly recommended by the medical profession as a safeguard against infectious diseases.

It never occurs to a woman that betting ranks as gambling.
