SYDNEY BASIC SLAG

ECONOMICALLY AND EFFECTIVELY THE
BEST FERTILIZER ON THE MARKET

You have been reading our advertisements from week to week. These cost us a lot of money, more than all the profit we will make on our business in Ontario this season, but we do not mind. We remain quite cheerful and we are prepared to spend more money in sending our Ontario Sales-agent to any part of the Province to tell you all about Sydney Basic Slag. We are not philanthropists, on the contrary we are Scotsmen, who, as you know, have the reputation of being a hard race.

WHY THEN DO WE DO THIS THING ?

We are spending our money because when once the Ontario farmer realizes what Sydney Basic Slag can do for him there will be an enormous demand for our goods and our bread which has been cast upon the waters will come back.

Sydney Basic Slag is suitable for application to all crops.

GENERAL SALES AGENTS

We need a man in each County in Ontario capable of appointing agents to sell these goods. The right class of man, that is a man with a personal knowledge of the leading farmers in his County, will find this a profitable proposition for about six weeks' work twice a year
