# Only 10 Minutes to get one of these premiums

Sit down right now. Take a sheet of paper. Think of the names and correct addresses of only fifteen farmers in your neighbourhood, each of whom owns not less than five dairy cows. Send these names to us together with their correct mail addresses and about the number of milking cows each farmer keeps.

For each fifteen names we will send to you free of cost any one of the following premiums.

Van Pelts Cow Demonstration: A mine of useful, the dairy cow. Every alternative page contains a long photograph (6 x7 inches) silustrating the almost covered on the opposite page, cow far your possession you can judge the merit of every cow far your herd.

Horse Secrets: Povery farmer needs the information contained form every feature of in this book. It covers, in a simple conclus borse; lets in the light self-time, Teals how to cure various vices in tending trieds; suggests simple remedies for common tile, and better methods of feeding and caring for horses of all ages.

The strong point about both these books is their simplicity, they are written so any farmer can easily understand them.

Hawkeye Wrench: A tool kit in your hip pocket. That is It combines six handy tools in one. Vis: a monkey wrench, a screwdriver, and three steel dies for threading or rethreading bolts, 5-16, 28, and 1-2 inch.

Ropp's Farmers Commercial Calculator: Just what assisting and pricing all kinds of target produce. Also contains Interest and many other useful and labor saving tables. Pocket size. Bound in labor to useful and labor saving tables. Pocket size. Bound in labor.

Remember all you need to do is send fifteen names—correct mail addresses and the number of cows kept by each.

Important: If you know a farmer is getting Farm and Dalry please do not send his
