

THE  
**SMITH**  
**CONCRETE**  
**MIXER**

Made in many Sizes and Styles

**GOOD FOR RESERVOIRS AND DAMS**

Because it turns out a large quantity of thoroughly mixed concrete.

**GOOD FOR RAILROADS**

Because it can be readily moved and is easy to operate.

**GOOD FOR CONTRACTORS**

Because it is built to last and saves money in many ways.

**GOOD FOR US**

Because it pleases our customers.

**"THE MIXER  
 THAT HARNESSSED  
 NIAGARA"**

Over  
 200 Sold  
 During March, April and May

MANY HANDS WANT LIGHT WORK  
 THEY'LL GET IT WITH A SMITH
