### GAVE UP ALL HOPES OF EVER GETTING WELL

Mr. Jacob E. Herr, 111 Grange St., Stratford, Ont., writes:—"Ten years ago I suffered with a very peculiar disease. I would go to bed feeling as well as could be, and after sleeping for five hours I would wake with a severe pain in my back, then moving into my side and breast. The pain was so terrible I could not lie in my bed, and usually had to sit until morning with a pillow propped up behind my back. With all my pain I would go to work, and after working up to about 10 o'clock the pain would leave me entirely. The same thing would happen the next night, and every night for two years. I tried four different doctors, but none of them did me any good. I tried a great many patent medicines, but all of no avail. I gave up all hopes of ever getting well. A friend persuaded me to try Milburn's Heart and Nerve Pills. I bought four boxes, and after using the first one I felt a change for the better, and after using three boxes I could sleep all night. The pains were gone, and I was completely cured.

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

dam by Sir Evelyn. Another is by the big, noted sire, Menelaus, and dam by the C. C. champion, Marcellus. Still another is by the renowned prize and breeding horse, Baron Mitchell, and dam by Full of Pride. The yearlings are by such great horses as Sir Hugo, Baron Ruby, and Dignity. Parties interested should see this lot of fillies if in want of a big, well-bred, breeding filly, or a high-class show filly.

### QUESTIONS AND ANSWERS. Miscellaneous.

#### COW KILLED—UNSATISFACTORY HELP.

Cows were coming from pasture for milking unattended, and were met by auto, which struck one and broke its leg, causing death.

1. Is driver liable for damage? He says he slowed up to pass cattle, and thinking he had passed all of them, let on speed again. This cow had remained behind the others and suddenly emerged from bushes close to road, and, running in front of auto, was struck.

2. Would fact of their not being attended make any difference?

3. Farm hand hired by month for eight months, at \$25, free home and garden. Providing he is not giving satisfactory service, how much notice is required for dismissal? No written agreement.  
A SUBSCRIBER.

Ontario.  
Ans.—1. We think not.

2. Yes; it is a circumstance that would materially assist the defence.

3. If his services are so unsatisfactory as to warrant his dismissal, no notice is requisite.

#### COST OF SPRAYING MUSTARD.

In your issue of July 4th, you say mustard can be controlled with such cheap and effective treatment as bluestone. How much bluestone will it take to the acre, and does one have to have special machine to apply it, and what is the cost of machine? There is not much use the bluestone being cheap if the sprayer cost too much. Please give full particulars, and when to spray. Would it do good on fall wheat? T. F.

Ans.—For spraying mustard, ten or eleven pounds of bluestone are dissolved in a 40-gallon barrel of water, and one barrel of the solution will usually cover an acre, though as much as two barrels is sometimes applied. If the mustard is caught at just the right stage, and rain does not follow within 24 hours, a single application may suffice. In some cases a second is necessary to do a thorough job. An ordinary spray pump may be used, though for rapid work a specially-designed mustard-spraying attachment, with eight nozzles, covering about twelve feet each time across the field, may be purchased for about \$20 extra, over and above the cost of the usual tree-spraying outfit, which runs in the neighborhood of \$30. The mustard-spraying attachment is also adapted for spraying potatoes if planted in rows 36 inches apart. Of course, power sprayers which run automatically, may be had, but these cost in the neighborhood of \$130. They cover more ground than the others, and are to be recommended where large areas must be sprayed. To cope with mustard, one must spray his grain crop every year until all the mustard seeds in the soil have finally been germinated and destroyed. Hoe crop may easily be kept clean by cultivation, and the mustard will not give trouble in meadows. Odd plants appearing here and there, might be pulled. The best time to spray is when the mustard plants are just coming into bloom. Choose a bright day. We do not think the spray would hurt wheat, but as a rule the mustard grows more prolifically in spring grain. The spray, if applied in proper strength as suggested above, will not hurt the grain, which has smooth, linear leaves. It adheres to the mustard and destroys it because mustard leaves are rough and hairy. Full directions for mustard spraying appear annually in "The Farmer's Advocate" about May.

### FAIR WINNERS

have often been produced by the help of

#### ABSORBINE

as it strengthens the muscles and ligaments, keeps out soreness, prevents fatigue, stops pain, reduces swelling and inflammation. It is a positive ANTISEPTIC AND GERMICIDE and therefore especially effective in healing cuts, sores, galls, bruises, etc.

Used by successful exhibitors and trainers because ABSORBINE does not blister, stain or remove the hair, and horse can be worked.

#### KILLS PAIN AND STOPS LAMENESS QUICKLY

It is economical, as only a few drops full strength are required at an application. A bottle of ABSORBINE, diluted as per formula on label, makes three gallons of efficient liniment at a cost of 80 cents a gallon. You will find it a money maker for you in getting all your horses in better shape for regular work or sale and you might also make a prize winner by removing some blemish from them with ABSORBINE.

Frank Briscoe, Osceola, Ont., writes May 1st, 1912.

"Absorbine has cured a big mare that was completely used up with contraction of the muscles. I bought her for \$30.00 and wouldn't take less than \$400.00 now. I owe many thanks to ABSORBINE."

**USE ABSORBINE** to remove Bursal Enlargements, Bog Spavins, Thoroughpins, Puffs, Shoe Boils, Capped Hocks, Swollen Glands, Infiltrated Parts, Thickened Tissues, Rheumatic Deposits, Enlarged Veins, Painful Swellings and Affections; to cure any strain or lameness; to repair strained, ruptured tendons, ligaments or muscles; to strengthen any part that needs it. You can buy Absorbine at regular dealers, price \$2.00 per bottle or sent to you, express prepaid with full instructions. Write me about any special case on which you would like advice.
