## A Physician's Testimony For Labatt's Stout.

ALEXANDRIA, DEC. 20th, 1901. Dear Sir :-Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required. Yours truly, G. S. TIFFANY, M.D. JOHN LABATT, Esq., Brewer,

Entry may be made personally at the local land office or the district in which the land to be taken is situa.e, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situate, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry. HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of

(a) If the father (or mother, if the father is de-ceased) of any person who is eligible to make a home-stead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler was entitled to and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first home-stead, if the second homestead is in the vicinity of the first homestead.

(i) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land. The term "vicinity" used above is meant to indi-

cate the same town, township or an adjoining or cornering township. A settler who avails himself of the provisions of

Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 80 acres substantially fenced.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT

should be made at the end of three years, before the Local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands, at Ottawa, of his intention to do so.
