More Carpet — News

John Kay, Son & Co.
"Canada's Greatest Carpet House."

To the large and rich stocks we talked about a week ago heavy
additions have been made this week.

Shoppers who have been accustomed to view only the stocks of
the ordinary carpet store have no idea of the immensity, assortment and
elegance of Carpet and Curtain goods to be found in this inclusive Car-
pet, Rug and Curtain house!

It surprises you that the large stretch of store area covering three
floors should be given up entirely to these specific lines. But here's our
success—we do the carpet business well—as no one else does it.

Every day really tells of new additions
to these stocks. You have our invitation
to look them over, for the sake of seeing
such stocks, if nothing more.
