Wainwright and Facts

THERE are no glittering generalities in our advertising. It gives you established facts. We appeal to your judgment through facts—not with claims—and you know it is more profitable to live with a fact than to nurse a whole family of claims. We tell you that WAINWRIGHT, the main central divisional point of the Grand Trunk Pacific, is bound to be the next big city of Western Canada, and immediately follow up with the facts. WAINWRIGHT is 1,113 miles west of Fort William and 1,090 miles east of Prince Rupert. The central point on the main line of the Grand Trunk Pacific—the pivot where all train crews are operated from—the place where the large pay-roll is; at present there are 422 miles of branch lines under construction and 350 chartered. In less than six years the pay-roll will equal that of Moose Jaw, the pivot of the Canadian Pacific Railway, which is now \$235,000 per month. Today WAINWRIGHT is the second largest shipping point for cattle in the province of Alberta. WAINWRIGHT district grain yield for 1911 increased four hundred per cent. over 1910. WAINWRIGHT has four wholesale houses now. WAINWRIGHT has coal, and water power in abundance. WAINWRIGHT has the National Buffalo Park, which is one of the largest assets any city could control.

We have a quantity of inside property in this young city which you can buy at ground floor prices. Property that will be worth more per front foot in five years than we are asking per lot today, and on easy terms—25 per cent. cash, balance \$7.50 for each lot per month, or three, six, nine months. No interest or taxes in 1912.

PELLY BOARD ACTIVE

The following resolution has been passed by the Pelly Board of Trade, endorsing the action taken recently by the Winnipeg Board of Trade, regarding freight and express rates in the West.

"Moved by E. A. W. R. McKenzie, seconded by E. Challen Clark, that the Pelly Board of Trade endorse the Winnipeg Board of Trade's resolution regarding the unjust rates on freight and express in Western Canada as we are suffering from the same unjust charges, and demand with the Winnipeg Board of Trade that freight and express rates should be no higher in Western Canada than in the East.

"We also wish to endorse the resolution, forwarded by the Winnipeg Board of Trade, opposing the high tariff on cement."
