

EFFECTS OF FEVER

How to Build Up Health and Strength After Wasting Diseases.

When the system is run down following attacks of fever, la grippe, or other wasting diseases, Dr. Williams' Pink Pills are of special value. They make new, rich blood, which reaches every organ and every nerve in the body, and in this way restore the patient to active health and strength. In proof of this we give the case of Mrs. James Randall, Silverstream, Sask., who says:—"I feel that if there is anyone who ought to testify to the merits of Dr. Williams' Pink Pills it is myself. About four years ago I was taken down with typhoid fever, which left me in a very weak state, and my stomach so impaired that even a drink of milk would cause me pain. To make matters worse the change of life followed, and although I was under the care of one of our best doctors, I was steadily growing worse. Before I was sick I had often read of Dr. Williams' Pink Pills, but thought no more about them. But now when I was sick and helpless and almost hopeless, and with no benefit coming from medical treatment, I kept thinking of the Pills and finally decided to try them. I did so and I am thankful to be able to say that they restored me to health and strength, and enabled me to pass through that trying period, from which so many poor women emerge with shattered health. I hope that many other poor sufferers may read this statement and take fresh courage from it, as I am sure that what Dr. Williams' Pink Pills have done for me, they will do for others. I may add that I always keep Dr. Williams' Pink Pills in the home, and feel that they are better than a doctor."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

FREAK RESTAURANTS.

Schemes to Attract Customers in Search of New Sensations.

There is (or was) in Berlin a certain cafe where rudeness is the key note of the waiting staff. Every patron who enters the restaurant is hustled roughly into a seat, abruptly interrogated as to his wants and finally has to submit to seeing his food thrust before him with as little ceremony as one might show to a stray dog, says London Tit-Bits.

This cafe is of course one of the many freak restaurants which abound on the Continent and the entire scheme of rudeness is simply a device to attract customers in search of a new sensation, which they undoubtedly secure.

Tourists who did the sights of Paris a few years ago will probably remember the amazing "co-vict" cafe, where every waiter was garbed like a felon wearing the hideous uniform of the French convict. Chains, handcuffs and other grim relics decorated the walls of the extraordinary restaurant and the plates on which the food was served were models of prison dishes. The owner of this freak cafe no doubt amassed a considerable fortune.

Paris is undoubtedly the parent of weird cafes. Near the Boulevard Montmartre there stands the famous Cabaret de Neant (Nun of Nothingness, or Death). The entrance to the cafe is through a small opening in a black shutter and once inside the visitor is appalled by the gloom of the room. Lighted

by flickering tapers its walls are hung with skeletons in various forms of activity. Food and drinks are served in coffins and the waiters are garbed like undertakers' mutes.

More cheerful are the restaurants of the Isle Robinson, a summer resort near Paris. These restaurants are suspended from the branches of huge trees and amid the leaves and branches of magnificent oaks and beeches patrons eat their food and sip their summer drinks, music being provided by a special band of feathered musicians.

A "silent" cafe was inaugurated some years ago in Paris probably to cater to votaries of the "rest" cure. Not a word was permitted to be spoken above a whisper and even the orders to the staff had to be given in writing. The strange venture only enjoyed a brief life and soon faded into still greater silence.

YE SACRED MONKEY.

The Formosan aborigines wear no clothes except a narrow waist-band, and their skin has assumed a hue so resembling earth that when they are in a forest, and have donned their usual head-dress—a chaplet of leaves, or a wisp of grass—they are hardly distinguished from their environment. They worship the moon and the monkey, and it is on record that some years ago, when a Chinese ship approached Taïto, on the east coast, the light at her masthead was taken by them for the moon, and they offered no resistance. They are very superstitious, and they place the most implicit reliance on, and accord the most unreasoning allegiance to, their chiefs. The soles of their feet are like leather, and they can traverse ground of any nature. They are said to be extraordinarily skilled marksmen, and the resistance they successfully offered to the attempts made in former days by the Chinese, the Dutch, and the Spaniards to subjugate them shows that they are a resolute race.

TO BE KEPT DARK.

Little Marjory—Mamma, what is a spinster?
Mother—A spinster, my dear, is a woman to be envied, but don't tell your father I said so.

CONSTIPATED CHILDREN

Constipation in children is the surest sign of danger—the most convincing signal that baby is going to be ill. Constipation leads to and actually causes more suffering in little ones than any other trouble. To keep baby well his little stomach must be kept sweet and his bowels regular—Baby's Own Tablets will do that—they will do it safely, surely and without pain or griping. Concerning them Mrs. S. O. Braaten, Bergland, Ont., says:—"My baby was bothered almost continually with his stomach and bowels and was greatly constipated. Baby's Own Tablets quickly relieved him and would not now use any other medicine." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HIS BLARNY.

Maid—But why should a great strong man like you be found begging?
Wayfarer—Dear lady, it is the only profession I know in which a gentleman can address a beautiful woman without an introduction.

For over fifty years Rheumatism, Neuralgia, and other painful ailments have been cured by Hamlin's Wizard Oil. It is a good honest remedy and you will not regret having a bottle ready for use.

EPIGRAMS.

A promise is a debt.
Peace feeds; war wastes.
The good seaman is known in bad weather.
The one-eyed are kings in the land of the blind.
True eloquence does not consist in mere speech.
A lean compromise is better than a fat lawsuit.
Virtue is so amiable that the vicious admire it.
One bird in the dish is better than a hundred in the air.
No sooner is a law made than its evasion is discovered.
A woman laughs when she can and weeps when she pleases.

HIS ECONOMY.

The children in the Blank family were taught habits of neatness at the table by being compelled to pay a fine of one cent for every spot they put on the tablecloth. One day Harold, a boy of seven years, was discovered rubbing the overhanging part of the cloth between his fingers, and when taken to task for it, he said:
"Why, Mummy, I was just trying to rub two spots into one!"

SOWNED.

Willis—I wonder if there will ever be universal peace.
Gillis—Sure. All they've got to do is to get the nations to agree that in case of war the winner pays the pensions.

DID NOT HAVE TO CALL THE DOCTOR

BECAUSE SHE TRIED DODD'S KIDNEY PILLS FIRST.

One box of them cured Mrs. Mary A. Cook's Rheumatism from which she had suffered for fourteen years.

Mannheim, Ont., Oct. 9.—Special.—How quickly and easily Rheumatism can be cured when you use the right means is shown in the case of Mrs. Mary A. Cook, well known and highly respected here. In an interview regarding her cure, of which all the village knows, Mrs. Cook says: "I had Rheumatism so bad that sometimes I would sit up nearly all night.

"I first thought I would try the doctors, but luckily I decided to first try Dodd's Kidney Pills. "They cured me, and I didn't have to try the doctors. And just to think that after fourteen years of suffering one box of Dodd's Kidney Pills should cure! I will recommend Dodd's Kidney Pills to anyone who suffers from Rheumatism."

Yes, it is easy to cure Rheumatism when you go the right way about it. Rheumatism is caused by uric acid in the blood. If the kidneys are working right they will strain all the uric acid out of the blood and there can be no Rheumatism. Dodd's Kidney Pills always make the kidneys work right.

UNAVOIDABLE.

Owner—How did you come to puncture the tire?
Chauffeur—Ran over a milk bottle.
Owner—Didn't you see it in time?
Chauffeur—No; the kid had it under his coat.

'Tis a Marvellous Thing. — When the cures effected by Dr. Thomas' Electric Oil are considered, the speedy and permanent relief it has brought to the suffering wherever it has been used, it must be regarded as a marvellous thing that so potent a medicine should result from the six ingredients which enter into its composition. A trial will convince the most skeptical of its healing virtues.

A Remedy for Bilious Headache.—To those subject to bilious headache, Parmelee's Vegetable Pills are recommended as the way to speedy relief. Taken according to directions they will subdue irregularities of the stomach and so act upon the nerves and blood vessels that the pains in the head will cease. There are few who are not at sometime subject to biliousness and familiar with its attendant evils. Yet none need suffer with these pills at hand.

Sirs—I came across a bottle of your MINARD'S LINIMENT in the hands of one of the students at the University of Maryland, and he being so kind as to let me use it for a very bad sprain, which I obtained in training for foot races, and to say that it helped me would be putting it very mildly, and I therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance I remain,
Yours truly,

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

ORIGIN OF TRIAL BY JURY.

Whence comes the system of trial by jury, with which so much dissatisfaction is often expressed? The authorities differ. One speaks of its origin losing itself in the night of time; another says it is "a trial that had been used time out of mind"; a third affirms that it was introduced into England by the Normans, and a fourth says that the Scandinavians established the system more than a thousand years ago. At any rate, there is evidence that, in the reign of the Conqueror, a dispute arose about some land which the sheriff claimed on behalf of the King. All the men of the county were assembled and sworn to say the truth. Eventually they found for the sheriff. The judge, dissatisfied with the verdict, directed the men of the county to choose out of their number twelve who should, upon oath, confirm the verdict if they thought fit. This they did, but authorities now agree that the twelve were not jurymen. The legal existence of juries was first recorded under the Plantagenets. Formerly a jury who could not agree were sent to prison, and during Queen Elizabeth's reign a banquet was usually given to the jury by the successful litigant.

PRACTICAL SOCIETY GIRLS.

Show Eagerness to Fit Themselves For Making a Living.

More and more English girls in high social positions appear to be fitting themselves very practically for making a living should circumstances demand.

Some years ago one young girl, now the wife of an English diplomat and daughter of one of society's most recognized leaders, had serious thoughts of taking up the study of gymnastic work and physical culture very thoroughly in order, should it be ever necessary, to earn money thereby. As it was she carried away several medals at one of the most fashionable gymnasiums in Belgravia.

Another girl, a daughter of the late Lord Henniker and a sister of the present baron, now Baroness Claude de Chassiron, studied shorthand and typewriting in London, where more than one society girl had fitted herself for a business career. She is a niece of the late Miss Helen Henniker, who was so notable a figure in society till her death in 1907.

Mrs. Julian Clifford, well known in the musical world for her singing, is a sister of Baroness de Chassiron. Her little son, Master Julian, only 7 years old, is considered a musical prodigy, and recently conducted "William Tell" at a concert given by his mother at the Kursaal at Harrogate, when she herself sang.

To Men Who Live Inactive Lives.—Exercise in the open air is the best tonic for the stomach and system generally; but there are those who are compelled to follow sedentary occupations and the inactivity tends to restrict the healthy action of the digestive organs and sickness follows. Parmelee's Vegetable Pills regulate the stomach and liver and restore healthy action. It is wise to have a packet of the pills always at hand.

"AUSTRALIA-ON-SEA."
As far as is yet known, 640,000 square miles of Australia are floating on a sea of water. In any part of this area a bore put down will eventually tap an inexhaustible supply of water. At present the daily outflow of these bores is 16,000,000 gallons. Unfortunately, much of this water is impregnated with minerals so much that it injures vegetation, though supplying millions of sheep and cattle with drinking-water. The water, when tapped by the boring machine, flows up with immense force, spouting hundreds of feet in the air, and often destroying the machinery used by the borers. When the pipe is sealed up it has been known to force its way up through 3,000 ft. of solid rock, clay, and sandstone.

MOTHERS! DO YOU KNOW

That when you put a salve onto your child's skin, it passes through the pores and enters the blood, just as surely as if you put it into the child's stomach?

You would not put a coarse mass of animal fat, colored by various mineral poisons (such as many crude salves are) into your child's blood by way of the stomach? Then why do so by way of the pores?

Take no risk. Use always the pure herbal essence provided in Zam-Buk. Zam-Buk contains no trace of any animal oil or fat, and no poisonous mineral coloring matter. From start to finish it is purely herbal.

It will heal sores, ulcers, abscesses, eruptions, varicose ulcers, cuts, burns and bruises more quickly than any other known preparation. It is antiseptic, quickly stops the smarting of a sore or cut, cures piles, inflamed sores and blood-poisoning. It is a combination of healing power and scientific purity. Ask those who have proved it.

BANKS AND BONDS

Bonds have the preference as safe and profitable investments.

Formerly Banks, Insurance Companies and other financial concerns invested their cash surplus largely in Real Estate Mortgages, to-day they are purchasing the Bond issues of established and prosperous corporations considering that they offer the greatest security and best interest returns.

There is no reasonable argument to offset the fact that what is the best investment for the Bank surplus is the best investment for the individual investor.

Write to-day for our booklet on Bonds, and Bond issues we recommend.
