BRISSELS CALEDONIANS.—We have received a circular intimating that the annual manes of the Brussels Caledonian Society will be held on the 14th Sept. Donald Dinnie, D. C. Ross, E. W. Johnston, A. Scott, A. A. and M. McDonald. A. Woods and other champion athletes are expected to take part. An interesting programme is promised.

FRUT AND SHADE TREES.—Mr. E. Grigg, of Elora, is in town this week taking orders for nursery stock. Mr. Grigg procures his stock from the tieneva Nurseries. The trees supplied by him in this neighborhood have given good satisfaction entitling him to the confidence of the public. Anyone who wishes to secure healthy nursury stock may safely entrust their orders with him.

At the last meeting of the "Rescue Alliance," which was held on Monday evening, 17th inst., important business was transacted, the result of which will be published shortly. The next meeting will be held in the Town Hall on Monday next at 8 p. m., for the Society alone, and all who wish to become members. The following resolution will be discussed:—That the works of Nature are those pleasing to the eyes of man than the works of Art."

GEBMAN S. S. PÍCNIC,—The German Lutheran Sunday School, together with a large number of parents and friends, pic-niced in McDowell's grove on Saturday afternoon. The day was fine, though warm Refreshments, swings and other concomitants of pic-nicing were provided in abundance. The town band was present; short speeches were made by the pastor, Rev. Dr. Sommer, and others, and altogether the afternoon was a very pleasant one for both the young people and their seniors.

LISTOWEL CRUCKETERS ABROAD,—On Tuesday the Listowel cricketers visited Durham and played a match with the Durham club. The result was a decided victory for the Listowel willow wielders, who succeeded in defeating their opponents by one innings and 41 runs. The bowling of Messrs. Cameron and Henry of the Listowel team, proved very effective. On the following day the Listowel club visited Mt. Forrest, and played a match with the club of that place. The victory of Tuesday was repeated there, the Mt. Forrest club being "taken into camp" with five wickets to spare. The boys returned home Wednesday evening in good spirits.

CRUELTY TO ANIMALS.—A case of cruelty to animals was heard before George Draper, Esq., J. P. on Monday last, the parties interested being Mr. Gabriel Maheny and Mr. John Kroft and his son William and Kroft. The parties reside in Wallace, and are neighbors. It appears that a heifer belonging to Maheny trespassed on Kroft's premises, and that the animal was so belabored with a stick by one of the Kroft's that it died shortly afterwards. The evidence fastened the cruel deed upon William Kroft, who was accordingly fined \$20 and costs. This should be a sufficient lesson to him not to indulge his temper again on his neighbors' dumb brutes.
