DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(A Scientific Vegetable Preparation.)

These Pills are prepared from the vast Pharmacopia combined with other Vegetable preparations of the highest Medicinal virtues. They are warranted not to contain any Mercury or Mineral substance whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public. Individuals of worth and integrity to almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in all or most every class of disease have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

Utica, November 9, 1848.

Dr. G. W. Halsey,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, it would have employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and to all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." They attained, by unrivalled qualities soon gained for them a high reputation, and the annual sale, of upwards of one thousand boxes. This great success excited the cupidity of designing men, who commenced the manufacture of common Pills, which they dusted with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which in every respect supercedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them of the same value as Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imputations and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

THE PROPHECY FULFILLED!

In the month of August, 1849, was given this wonderful remedy to the world, and in the short space of twenty months it has attained a popularity unequalled by any medicine ever before introduced to the public.

Its wonderful cures in the various Institutions for the reception of the sick; in Penitentiaries, Hospitals, and Alms-Houses, and in the practice of Physicians, and in private families, have established for it a reputation unparalleled in the annals of medicine.

We commend that it would relieve, in a few minutes, the most violent Cramps and Pains, that it would remove from any part of the system, in the shortest time possible, Inflammation, Soreness, or Lameness, and that no one need suffer a moment longer than it takes to procure the remedy
