### YOU CAN CURE CATARRH

J. H. Taylor, 54 Bond St., Toronto, Breathed Hyomei and Cured a Long-Standing Case of Chronic Catarrh That Defied All Other Remedies. Also Toronto and New York Specialists.

Without taking a drop of medicine into the stomach, J. H. Taylor, 54 Bond Street, Toronto, tells how the distressing troubles of Catarrh were overcome by simply inhaling Hyomei air. It's the history of tens of thousands similar cases on record proving that Hyomei can be depended upon to cure Catarrh, Bronchitis, Coughs, Colds, and Croup. It has no equal for any distress of the breathing organs.

Mr. Taylor says: "Some years ago while on a hunting trip in Northern Canada, I contracted a severe cold that settled in my head and finally affected my throat. It rapidly developed into catarrh and caused a miserable throat weakness. My head would become clogged during the night and there was a catarrhal dropping from the nose into the throat. Many days I had been unable to breathe other than through my mouth, and the constant hawking and spitting was almost unbearable. I had been treated by the best throat specialists here and in New York, but nothing benefited my condition. I obtained Hyomei, and soon found relief, the throat dropping ceased and my head began to clear. I continued with Hyomei for six weeks and after that time I was well in every detail. There has been no return of the trouble since, and I feel grateful in speaking well of Hyomei, as it cured me when all else failed."

A complete Hyomei outfit costs \$1.00, and J. D. Clark will refund your money if it fails to cure.

### A FAMOUS VICTORY

It was a summer evening, Old Bethmann's beer was done, And he, before the sandy shore, Was sitting in the sun, Instructing—for the hundredth time His grandson, Fritz von Hoggenheim.

"Twas where the German ocean rears Its crests of snowy foam, We met and beat the British Fleet, And then retreated home. We bolted like the deer," says he, "After that famous victory."

"When things are looking very blue A shoreward course we shaped; We lost about a score of ships, But all the rest escaped, And, in unconquerable pride, Made for a point in which to hide."

"A word of human pity filled Our noble Admiral's mind, And so he broke the action off Aged left the foe behind. We always act like that," said he, "After a famous victory."

"In our communications we made No indiscreet remark, For we had cautiously resolved To keep our losses dark; A course invariably applied By people on the winning side."

"And, after that, the beaten foe Blockaded all our ports, And ran us short of meat and bread, And goods of various sorts. Such things as this must always be After a famous victory."

"But why did we allow them to?" The artless Fritz inquired, "Because they had so strong a fleet They did as they desired. Such cruel things must always be While brutal Britain rules the sea."

"But, Grandpapa," said little Fritz, "If we had really won, Why did not Prussia rule the sea, As Britain once had done?" "Oh, shut your silly mouth!" said he "It was a famous victory."

—Horace Watt in London Chronicle

With the Order of St. George which the Tsar has conferred upon the Prince of Wales, his Royal Highness now has the decorations from his country's three great Allies. When the Prince came of age last year the King of Italy gave him the Order of the Annunziata, and later he was awarded the Knight's Cross of the Military Order of Savoy. The French President has given him the Grand Cordons of the Legion of Honor and the War Cross of the Republic. The Russian Order of St. George is over a century and a half old.

### Splendid New Royal School of Infantry Building Opened at Aldershot

ALDRERSHOT, N. S., July 22nd.—With considerable military eclat the splendid new Royal School of Infantry building at Camp Aldershot was opened this afternoon with a "The Dansant."

The function was held under the auspices of the School Commandant, Lt. Colonel D. B. Papineau and officers of the School of Infantry, Canadian Militia, District No. 6, and continued from 3.30 o'clock p. m. till 6 o'clock p. m. The fine band of the 85th Overseas Battalion C. E. F. was in attendance, and furnished the music for the occasion. The building was fittingly decorated with flags and bunting.

Invitations had been issued to all officers in camp Aldershot and their ladies, and to prominent citizens in Kentville and other towns, with the result that the military distinction of the event was enhanced by social dignity. The function was altogether happy and successful.

The S. I. building itself is the only one of its kind in the great Military Camps of Canada. It measures 130 feet by 40 feet, and provides for instruction five large lecture rooms and one machine gun lecture room. Four of the five are fitted with folding doors, which when required, can be adjusted, so as to make one immense lecture room or auditorium the full length of the building.
