PTE. JOHN ARTHUR TAYLOR A COLCHESTER HERO—HAS FALLEN IN BATTLE.

Miss Bessie A Taylor, Hollis Street, Halifax, has received the following telegram informing her of the death on the battle field of her brother, John Arthur:

Ottawa, Sept. 7 1918. Miss Bessie A. Taylor, Hollis Street, Halifax.

Sincerely regret to inform you number 252578, John Arthur Taylor, infantry, officially reported killed in action, Aug. 27.

DIRECTOR OF RECORDS Pte. John Arthur Taylor is the oldest son of Mrs. Muir Burris, Greens Creek, Col. Co.,

He enlisted in Cabri, Sask, Feb. 28, 1916, and drilled for a time with 209th Bn. at Camp Hughes, Manitoba.

Two years ago he visited his old home folk; went overseas, and completed his drilling in England. He was drafted into the 49th Battalion B. E. F., France, and has been in active service since April 1917. He has done duty as a stretcher bearer, as a military policeman, and latterly has been in the trenches. He was wounded about eight months ago, and after getting out of hospital he had a Pass to Scotland, and visited many places of interest, especially Dumfries and Annan, sending home views of bonnie Scotland, where his grandmother was born.

He was soon in the fight, and on the 27th ult. made the supreme sacrifice for King, Country and the Freedom of the World. A grateful country will ever hold him and his gallantry green in memory.

A brother, David W. Taylor, is at present, drilling in England; has been there since March 8, 1918. May he be spared to come back to his Colchester home and help fill the gap in loving hearts, that the loss of one son and brother, "kild in action," has caused.

TRURO MOTOR PARTY ATTEND LAUNCHING AT SHEET HARBOR

The Truro motoring party, J. C. B. Olive, and J. E. Barteaux with their wives and friends, that started on the 20th, for Sheet Harbor, to be present at the launching of Mr. Geo. Lewis' big four masted schooner, had a perilous motor drive thru the wind, rain and deep mud.

They got to Upper Musquodoboit Friday evening, and remained all night at Stewart's Hotel. Early Saturday morning they again started for Sheet Harbor, arriving there just in time to see the launch, which was a success, and was witnessed by many hundreds of people.

After dinner at the Presbyteria Church tea meeting these Truro visitors started for home. Mr. Olive with his party arrived at Truro, Saturday night.

Mr. Barteaux had car trouble, and at Middle Stewiacke he and his party were compelled to stay all night, at the home of Mr. John Renolds.

The journey was resumed early Sunday morning. Car trouble again held the travellers up, about ten miles from Truro, for some time. They arrived home about eleven o'clock.

THE LATE MRS. NELLIE REES O'DELL.

Daily News, Sept. 23rd

The community was greatly shocked to hear on Saturday last of the sudden death of Mrs. Harry F. O'Dell. She had been at home here with her mother, and sister for the past three months, and had left for her home in Jacksonville, Fla., a week ago last Tuesday. A severe cold was contracted on the way to New York and she decided to stop over there for a few days, with her sister, Mrs. (Capt) E. Campbell.

A telegram received by her mother conveyed the information that she had contracted pneumonia, and this was soon followed by another saying that she had passed away.

Mrs. O'Dell was formerly Miss Nellie Rees—and was one of the most popular of our young ladies. For a number of years she was chief stenographer at the Eastern Hat and Cap Co., Ltd. and a most prominent worker in the First Baptist Church. She was a daughter of the late Rev. Wm. Rees, formerly pastor of the Tabernacle Baptist Church, Halifax.

The sympathy of the community is extended to the mother and sister, residing on Walker Street. Another sister resides in New York, and a brother, in the west. The body of Mrs. O'Dell will be brought home for burial; notice of funeral will be given later.

Many Mothers have reason to bless Mother Graves' Worm Exterminators because it has relieved the little one, of suffering and made them healthy

A Serious Matter

There is a delicacy about mentioning piles. And yet so many suffer needlessly who could be readily relieved and cured if they only knew about Dr. Chase's Ointment. Men tell one another about this remarkably successful treatment. But many women pine away their health and vitality, dreading a surgical operation and not knowing how easily they can be cured at home by Dr. Chase's Ointment.
