WOODSTOCK RACE TRACK

Woodstock race track seems to have sprung into popularity among the drivers as a training centre. We now have stabled at the track no less than 30 outside horses and 10 local horses and there are four other local horses worked regularly but stabled home. Four of the outsiders are from Providence, R. I., five from Houlton, seven from Hartland, two from Bathurst, 1 from St. John and 1 from Southampt. The track is in excellent condition and should be several seconds faster than last year. Four races have been arranged for May 24 and it will be interesting racing. No Hartland horses are entered for the 24th as they are not ready to start, not having had any fast work. However they will be in the push for the big matinee about June 22. William Brickley of St. John is expected here Monday to handle the Hartland string and he will be able to quickly bring them along after the careful preparation given them by Geo. Stoddart. Mr. Brickley has already here a mare from St. John—Betty Gamme and he expects to bring Native Worthy from Gagetown. Alderman Jas. W. Gallagher has the record so far, 2.36 with College Swift. The horses without exception are in splendid condition and there has not as yet been any sickness.

The following show the names and owners of the different horses now in training:

Jeffrey (p) 2.16½, Lena Marie (p) 2.16½, Dr. Macintosh, Hartland; Ben Ali (p) 2.03½, Colorado Rose (p) green, Hartland Driving Club; Zanthia (p) no mark, Miss Peter Splan (t) 2.20½, Dr. Macintosh; Old Glory (t) 2.22½, C. H. Taylor; Betty Gamme (p) no mark. Under the careful eye of Geo. Stoddart and to be driven by William Brickley of St. John.

Hattie T. Chimler (p) no mark, Commodore H. (t) no mark, Amy (p) 2.09½, J. T. Carr, Providence, R. I.; Countess Petren (p) no mark, A. Taft, Providence, R. I.; Silver Strain (t) no mark, W. Atherton, Houlton; Leonore McKinney (t), no mark, Dr. McKinnon and H. Mason. Harry Mason's string.

Harvest Queen (t), no mark, Harvest June (t), no mark, Verna Whip (p) no mark, A. J. Saunders, Houlton. Driven by L. E. Gardiner, Brockton, Mass.

Togo M. (t) 2.14½, College Swift 2.17½, Harry Gratton (p), no mark, Money Man (p) 2.18½, Jas. W. Gallagher, Woodstock; Betreva T., no mark, owned by Roy Tall. Clarence Sherman has charge of this string.

Oro Fino (p) 2.03½, Woodstock Driving Club, Brintax (t) no mark, Mr. Cronkite, South Hampton, Barnsdale (p) 2.18½, Dr. Sprague, Woodstock; Emotionless (r) 2.14½, North Lady (p) no mark, Mr. Veniot, Bathurst; Minnie Gratton (p) no mark, C. F. Rogers, Woodstock. These six are in charge of Jimmie Boutillier.

Six Peters (p) no mark, H. M. DeWitt, Woodstock; Lucky Strike (p) 2.16½, Robert Hamilton, Woodstock. The other four worked and driven by their owners are: Queenie Patchen, J. H. DeWitt; Red Sox, N. McKendrick; Lady Ashbrooke 2.16½.

Joe Gans, and Merry Wise, Allan Poole.

This certainly is some array of speed and there are more yet to come. J. Hall, Edmundston, is shipping down this week two horses, Knight Worthy (p) 2.14½ and a trot mare with no record. This mare has been used as a show mare around Montreal the last few years and is very handsome. She is reported to have been a mile in 2.15 last fall.

China's Mail Service. In the interior of China, except in a few districts, there is no regular letter delivery, and consequently no postmen. But many of the officials maintain semipublic services of their own and keep their runners up to the mark by simple expedients known best to the Chinese.

Sunday Her Unlucky Day. Empress Eugenie is said to have been haunted by a dread of Sundays. September 4, 1870, the day the mob invaded the Tuilleries, was a Sunday; it was on a Sunday that she learned the news of the death of the prince imperial, and she herself died on a Sunday.

One of Nature's Acrobats. The weasel has been called the acrobat of nature, and performs every kind of acrobatic feat. The bloodthirsty little villain is no coward. It will attack human beings. The weasel can climb as easily as run and is at home on any surface.

Painting on Spider Web. Palating on spider web is done in Norway and the pictures are framed like any other drawing. The webs employed, which are of a very dense weave are found only in few localities difficult of access and the supply of them is limited.

Women Succeed as Foresters. In the conventions and gatherings of persons identified with the lumber industry which have taken place recently women have played an important part. They are said to make excellent foresters where the pursuit is congenial.

How Do You Know? Yes, Herman, it is a true saying that if you put the two men in the same bed, one with the toothache and the other in love, the man with the toothache will go to sleep first.—Hamilton Herald.

Turning the Luck. In Yorkshire, country folk cross their thumbs "to turn the luck" should they meet a single magpie. In Scotland a magpie seen near a dwelling is believed to portend death to one of the inmates.

Have Faith in Cross of Honey. On the island of Rhodes the husband traces a cross in honey over the door before his new bride enters the house, and this little operation is said to guarantee their eternal happiness.

What He Meant. It is probably unnecessary to explain that the druggist who displayed a sign, "Say it with a brick," in his window, was referring to ice cream.—Lynn Item.

Or a "Situation." When a statesman runs into a brick wall and sees no way to get over or under, he emits a few sharp yelps and calls it a crisis.—Baltimore Sun.

Jem Mace's Record. One of the most remarkable records in the annals of pugilism was that of Jem Mace, who lost two contests out

DO YOU WANT A CAR?

If you do you are probably thinking you will buy a Ford, after the Spring rush is over. You should act AT ONCE.

There is a Shortage of Fords

Fewer cars have been manufactured this winter than usual, and because of this, dealers have had less stock to start the season with than for years back.

Buyers are now considering values as they have never done for years, and this has resulted in an unprecedented demand for the Ford car, and our small stock is now about exhausted.

A very few more cars will be available for the last of May. Get your order in now and save disappointment later.

See the Fordson tractor at all our show rooms and ask for a demonstration.

MRS. WILLIAM WALLACE

Many friends will regret to learn of the death of Mrs. William Wallace which occurred at Berlin, N. H., in St. Louis Hospital on May 8 at the age of 25. Mr. and Mrs. Wallace have made New Hampshire their home for some time, consequently have many friends here. Not feeling well she entered the hospital for treatment. On account of cancer, an operation became necessary from which she did not recover. The body was brought to Bristol and taken to her former home in Gordonsville for burial. Service was held in United Baptist church by Rev. A. Hatfield of Kilburn. The Baptist choir of Bristol furnished very appropriate music for the occasion; flowers were abundant and extremely beautiful.

Deceased leaves to mourn their loss a loving and faithful husband, father and mother, Mr. and Mrs. John Briggs; two sisters, Mrs. Frank Lovely, Wapke and Mrs. Edward Dyer, Bristol; two brothers, Henry and Gordon, also a large circle of friends. Much sympathy is extended to Mr. Wallace because of the loss of his companion.
