## LIBERALS MAKE CLEAN SWEEP OF CANADA

O. TURGEON, M. P.

### FOWLER DEFEATED IN KINGS-ALBERT

McAllister Trims Him to the Extent  
of Three Hundred Votes---  
Emmerson's Majority.

### A HARD CRACK FOR HAZEN

(Special News Service.)  
ST. JOHN, N. B., Monday (Mid-  
night)—New Brunswick spoke today  
in no uncertain voice for Pugsley and  
Liberals.

Out of thirteen seats the Conserv-

atives succeeded in holding only two.

These were St. John City, and York

County. Dr. Daniel's majority there

is greatly reduced, being only about

200, while Crockett carried York as

was generally expected, by a majority

in the neighborhood of 1,000.

The Liberals gained Kings-Albert,

Queens-Sunbury, and Charlotte, and

retained Westmorland, Kent, Carleton,

Northumberland, Gloucester,

Restigouche and Victoria-Madawaska.

The campaign of personal slander,

against H. R. Emmerson, was re-

jected by the electors of Westmor-

land when they rolled up a majority

of 1,400 for the former minister of

railways. Moncton city gave him a-

bout 1,000.

Fowler was defeated by over 300

in King's Albert and the electors of

this joint constituency regard McAl-

lister's victory as the greatest in Can-

ada.

Fowler has a substantial majority

over Ganong in Charlotte.

Dr. Pugsley carries the city and

county of St. John by over seven hun-

ded. He failed to carry his run-

ning mate, but this was owing

to false canvases made against Pen-

der and to the personal popularity of

Dr. Daniel.

The election in this province is the

beginning of the end of the Hazen

government. Despite all that they

could do, despite all their patronage,

only two Conservatives were elected.

jority ever given any Can-

didate in Northumber-

land.

"Accept my sincere thanks for your kind congratula-

tions. It is, indeed a source of gratification to me that

we have won such a splendid victory in New Brunswick,

carrying eleven out of thirteen seats. The people have

given their emphatic verdict against the slander campaign

of our opponents." (Signed)

WILLIAM PUGSLEY.

#### MR. JAMES REID, IS AGAIN THE MEMBER FOR RESTIGOUCHE.

After one of the hardest fought

elections in the history of the County of

Restigouche, the Liberal member has

carried the constituency with a sub-

stantial majority.

Below is a summary of the votes

polled throughout the County:

Majority for Reid, 131

The majority has been cut down

considerably from that of the 1904

elections, but this is explained by the

fact that in this contest the local gov-

ernment patronage was used to its full

extent in favor of the Conservative

candidate. The Conservative party

was a thoroughly organized and

in the respect outwitted the Lib-

erals in this county. Not a thing was

done toward organization until after

the Liberal convention at Dalhousie.

This is a mistake, and should be re-

membered in future.

While the vote polled for Mr. Reid

in town was even better than was ex-

pected, many of the outlying parishes

furnished surprises.

The Liberal committee rooms was

the scene of much enthusiasm as the

returns were being received and an-

nounced.

CHATHAM, N. B., Monday.—W. S.

Loggie has been re-elected for North-

umberland's representative by a ma-

jority of over 1,000. The returns are

not yet complete, but indicate Mr.

Loggie's one of the largest votes ever

polled in this county. Today an ex-

ceptionally large percentage of elec-

tors went to the polls.

Morrison only won out in his home

town, Newcastle, by 16 votes, and

Loggie had a splendid majority of

268 in Chatham. This is more than

100 greater than his majority here

over James Robinson four years ago.

The vote is a tribute to Mr. Log-

gie's personal popularity as well as an

indication of the people's satisfaction

with the present government.

This is the largest majority ever

given to a candidate in the history of

Northumberland. The nearest ap-

proach to it being in 1887, when the

late Peter Mitchell, Independent, won

by 746 votes.

PORTLAND, MAINE, CHILD.

III, Weak and Emaciated, Restored to

Health by Vinol.

"Our little daughter, six years of

age, after a severe attack of measles,

which developed into pneumonia, was

left pitifully thin, weak and emaci-

ated. She had no appetite, and her

stomach was so weak it could not

retain food. She lay in this condi-

tion for weeks, and nothing the doc-

tor prescribed did a bit of good, and

we were beginning to think she would

never recover.

"At this time we commenced to give

her Vinol, and the effect was marvel-

ous. The doctor was amazed at her

progress, and when we told him we

were giving her Vinol, he replied, 'It

is a fine remedy, keep it up.' We did

so, and she recovered, her health and

strength nine months before the doc-

tor thought she could."—J. W. Flagg,

Portland, Me.

Vinol cures conditions like this be-

cause in a natural manner it increas-

es the appetite, tones up the digestive

organs, makes rich red blood and also

strengthens every organ in the body.
