## ALL CURES MADE EASY

## Holloway's Ointment.

### Legs, Ulcerous Sores, Bad Breasts.

to description of wound, sore or ulcer can be obtained by the receipt of this excellent Ointment. The Ointment is a powerful and permanent appearance whenever this medicinal agent is used; sound flesh springs up from the bottom of the wound, the inflammation subsides, the nerve is soothed, and a complete and permanent recovery follows the use of the Ointment.

### Piles, Fistulas, and Internal Inflammation.

These distressing and often dangerous diseases may be cured by the use of Holloway's Ointment. It is a powerful and permanent cure, and its use is attended with no pain, and it is not necessary to stop the ordinary work of the office. The Ointment should be used twice daily, and applied to the seat of the disease, when all obnoxious matter will be removed, and the system rendered healthy. The most scrupulous cleanliness must be observed. If the Ointment is used in accordance with the directions given in the Ointment, it will be a relief to the patient, and a service that will never be forgotten, as a cure is certain.

ruptions, Scald Heads, Ringworms, and other Skin Diseases. After fomentation with warm water, the utmost relief and speediest cure can readily be obtained by the use of Holloway's Ointment. The Ointment should be used twice daily, and applied to the seat of the disease, when all obnoxious matter will be removed, and the system rendered healthy. The most scrupulous cleanliness must be observed. If the Ointment is used in accordance with the directions given in the Ointment, it will be a relief to the patient, and a service that will never be forgotten, as a cure is certain.

Rheumatism, Gout and Neuralgia. Nothing has the power of reducing inflammation and subduing pain in these complaints in a more degree than Holloway's Ointment. This class of cases may be cured by Holloway's purifying Pills and Ointment, as their double action of purifying the blood and strengthening the system, renders them more valuable than any other remedy for all complaints of a venereal nature. As the blood is impure, the liver, stomach and bowels being inflamed, require purifying medicine to bring about a cure.
