

## CAMPBELLTON LOSES RESPECTED CITIZEN

Not in years has Campbellton and in fact the whole Bay Chaleur county been so stirred as it was when the sudden death of W. Albert Mott, K. C., was announced here Saturday morning.

Some months ago Mr. Mott suffered from a severe paralytic stroke, at St. John where he was undergoing treatment. He recovered somewhat from that stroke, but on Thursday of last week he suffered another severe one which ultimately caused his death. The body accompanied by St. John and Moncton friends was brought to Campbellton Sunday morning and taken to the home of his brother in law S. H. Lingley, from whose residence the funeral took place on Monday at 3 o'clock.

William, Albert Mott, K. C., was born at Campbellton Nov. 29th 1864, a son of the late William Mott, Magistrate and Court Commissioner. He received his early education in the primary schools of that town. In 1888 he was called to the bar of New Brunswick and immediately entered into partnership with John McAllister, M. P.

His first entry into politics was made in 1892, when he ran for and was elected mayor. A forcible and eloquent speaker, he was not long in making his mark in the larger field of local politics, and on the same year on which he was elected mayor he was elected a member of the provincial house of assembly. He was reelected in 1895.

As a lawyer he was considered to be one of the ablest members of the profession in New Brunswick, and while actively engaged in practice he was identified in some very important cases. He also served in the capacity of Swedish and Norwegian consul.

On September 23, 1894, he married Harriet E. daughter of John Henderson, of Campbellton who survives him. Four children survive.

In the general election for the House of Commons in 1908 he contested Restigouche county in the interests of the Conservatives but was defeated by a small majority.

His kindly disposition endeared him to the people of this community and many were the tributes paid his memory by friends here. Always willing and ready to assist in all ways those who needed his services he will be greatly missed.

In the recent fire he was a heavy loser. His valuable law library, said to be one of the best in the province, as well as his comfortable home, were destroyed. He removed to Dalhousie where he lived in the months succeeding the fire.

His wife, mother and four young children survive. He was 47 years of age.

The funeral was held from the residence of S. H. Lingley on Monday and was one of the largest ever witnessed here. Friends from far and near being present to pay the last mark of respect for one they loved.

The services at the house, which were very impressive, were conducted by Rev. T. P. Drumm assisted by Rev. Mr. Kirk of Dalhousie. The choir of St. Andrew's church sang "Lead Kindly Light" and "Nearer My God to Thee". The services at the grave were conducted by Rev. Mr. Drumm.

The pall bearers were Robert Wilkins of St. John, D. A. Stewart, Dr. Lunan, Frank Blackhall, Frederick Kerr and George St. Onge.

Many floral tributes testified to the esteem of deceased. They were as follows:—

Wreaths—Mr. and Mrs. John Henderson Amherst Mr. and Mrs. Geo. G. McKenzie, Vancouver, Dr. L. A. Currie, and R. J. Wilkins, St. John, D. A. Stewart.

Anchor—Mr. and Mrs. A. D. Mac Kendrick, Campbellton, E. A. Mc Alpine, St. John.

Cut Flowers—Bruce Caldwell, St. John, Miss H. J. Wilkins, St. John, Clarence Ferguson, St. John.

Among those from outside who attended the funeral were R. J. Wilkins, St. John, Wm. Humphrey, and J. Harris, Moncton, Arthur Culligan, and Daniel McAllister, Jacquet River, Hon. C. H. LaBelle, and Sheriff Stuart, and many other citizens from Dalhousie, a special train being run to accommodate them.

The community as a whole join with the Graphic in extending sympathy to the bereaved family.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

## CAMPBELLTON TOWN COUNCIL

Closing Of Victoria Street Crossing Discussed.

At an adjourned meeting of the council held on Thursday evening, His Worship Mayor McDonald presided, at which were present Councillor Miller, Pinault and Alexander. Minutes of previous meeting read and confirmed, during which Councillor White entered the meeting.

Communication was read from Mr. D. Sanson asking that water connections be placed in two tenement houses near to the planing mill the cost to be paid by the owner. This was referred to the Water & Sewerage committee. Four applications were received for the vacancy in the police force, the names of the applicants being Norman Campbell, Fred Herman, Alfred Lamber, and Wm. L. Cook. These letters were referred to the Police and License committee.

The special business of the meeting was then taken up, that of the closing of Victoria Street crossing. Councillor Pinault thought it was not the right time to close this street as the subway was not yet completed for pedestrian traffic.

Councillor White said he would still be willing to move the motion that the street be closed but under the circumstances it would not be right as the council had no plan filed nor any right or title to the street. The request of the I. C. R. being a verbal one he thought that to do anything just now might prejudice the town's position. Certainly the Railway Company were hurrying along the lighting work for the subway, but he felt that the Town Solicitor should be present to guide the council.

His Worship thought councillor White's reasoning was very good and thought the matter should be left over till next meeting.

Councillor McKenzie at this point entered the meeting. Mr. F. M. Anderson who was present stated that it was in his knowledge that the original owners of the ground at the subway were not paid for their properties and could close the subway if they so wished. The regular order of business was then resumed.

Petition was received from H. A. Alain for a grocery store near Mill Creek Bridge. Referred to Police and License committee.

The following reports of committees were received and adopted. Councillor Pinault from Public Property and Streets, recommending payment of accounts totalling \$80.75.

Councillor Moore entered the meeting.

In a further report re Central Street, the matter was still in abeyance, one of the property owners having yet to be heard from.

Councillor Pinault handed in these deeds of streets yet to be named which were found in order and filed for registration.

Councillor Alexander from Water and Sewerage Dept., recommending payment of accounts totalling \$1042.74. As the accounts for horse hire for this department were rather high, Councillor Miller thought it would be advisable to purchase a light horse, while Councillor Alexander said a team of horses was required.

Councillor Moors from Public Charities committee recommending payments of accounts totalling \$105.50.

Councillor White from Fire Protection committee recommending payment of accounts totalling \$5.40. In reply to a question Councillor White stated that the hose sled was stored temporarily in the premises lately occupied by Mr. W. J. Christie.

Councillor Miller from Finance Committee recommending payment of accounts totalling \$94.35.

Councillor McKenzie from Assessment and Appeals committee recommending that the assessment on Mrs. Wm. Andrew's property be reduced \$2000, and that refund of taxes be not granted to Thomas Clancy.

Mr. F. M. Anderson was heard before the council with regard to the poverty existing in Andersonville. Mr. Anderson stated there were a number of families living in his houses who were in destitute circumstances and who were

SYDNEY MINES, N.S., Jan. 25th. 1910. "For many years, I suffered tortures from indigestion and dyspepsia. Two years ago, I was so bad that I vomited my food constantly. I also suffered with Constipation. I consulted physicians, as I was afraid the disease was cancer, but medicine gave only temporary relief.

I read in the 'Maritime Baptist' about 'Fruit-a-lives' and the cures this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say 'Fruit-a-lives' has entirely cured me when every other treatment failed, and I reverently say 'Thank God for 'Fruit-a-lives'."

in need of help from the town. The people he was speaking of were the kind who were willing to pay all their obligations and would do so if they had a little help from the town. He did not consider it was his duty but rather that of the council to see that these people were provided for. In reply to a question it was stated that the town were only paying the rent of one house in this district.

Councillor Moors stated that none of the persons spoken of had made application to him for help and at far as he knew he thought they were all in favorable circumstances. Councillor Pinault said that two of the families he knew were deserving of help. After desultory discussion the Public Charities committee were instructed to go into the matter at once. Councillor Alexander with regard to crossing at Victoria Street submitted plan of overhead bridge and also a subway. The subway would be eight feet high for pedestrian traffic only and estimated to cost \$5000. The plans were handed to the delegation who will go to Ottawa regarding dredging matters who will have a memorial prepared for submitting to the Minister of Railways.

In reply to a question from Councillor McKenzie, the Electric Light committee stated that preparations were being made to have the street lights on during the Christmas shopping.

### A PRACTICAL EXAMPLE.

Example of the Effect of Competition with Australia.

On March 18th last, 750 carcasses of frozen lamb from Australia, were landed at St. John, N. B. 250 carcasses were sent to the William Davies Co., Limited, Toronto. The greater part of the remainder were shipped to Montreal. This lamb was purchased at nine cents per pound delivered in bond at Toronto.

Under existing conditions the duty was three cents per pound. This made the lamb cost twelve cents per pound laid down in Toronto.

Fresh dressed lambs were selling in Toronto at that time at 12 1-2c. to 13c. per pound.

Hence, after paying this duty there was not much difference between the prices of the Australian and Canadian lamb.

The duty protected the Canadian farmer against the Australian product.

But under Reciprocity the duty on this frozen lamb will be only 1 1-4c. per pound, so that similar shipments could be laid down in Toronto at 16 1-4c. per pound, two or three cents per pound cheaper than the price for the home raised products.

Referring to the lambs which were sent to Montreal. When they reached Montreal Canadian lamb was selling at 10 1-2c. The Australian lambs were sold at 9 1-2c. delivered ex cars Montreal duty paid. The owners apparently being contented to undersell the Canadian farmer by one cent per pound.

Now, if you wish to see the effect upon the live stock market of the receipt of this Australian lamb in Montreal, turn up the Montreal papers of March 20th, in one of which, for example, the headline was "Sheep Sold Lower in Local Markets."

If, with the three cent duty on every pound, frozen lamb can be profitably imported from Australia, it seems almost conclusive that reducing the duty will also reduce the price of Canadian lamb accordingly.

And not only does Australia export frozen meat, but it exports butter as well. It exports annually between fifty and seventy-five million pounds of butter.

Australian butter can be laid down now in bond at Montreal at 23c. per pound. A duty of four cents per pound keeps it out of competition with the Eastern Townships butter now selling at 26c. per pound.

### THE REVIVAL OF THE CAMEO

Antique Shops of Europe Doing Good Business.

An early Victorian fashion revival is the cameo, which is being worn on hats or for clasping the belt at the waist or even at the wrist. The antique shops of Paris and London are being ransacked for cameos. The pink and creamy tint of these ornaments are considered wonderfully becoming and as the finishing touch to white evening gowns they are looked upon as indispensable at the present moment.

Jade, too, which has been out of favor for years, has come back into fashion and is to be seen ranging in tint from darkest green to pure white. Jade of a delicate bright green is the most popular and is used in necklaces of rounded beads, and in brooches, earrings and cabochons mounted in various ways alone or with pearls and diamonds.

### A GREAT CAPTAIN OF INDUSTRY

Words of Louis Stevenson Form the Keynote of Great Career.

"To travel hopefully is better than to arrive, and the true success is labor." These words, once written by Robert Louis Stevenson, hang above the desk of Mr. H. Gordon Selridge, the head of the enormous store in Oxford street, London, who was recently the victim in a motor smash. They provide the keynote of the character of the man who, starting life as a shop-sweeper, made such good use of his opportunities that, by the time he was thirty, he was a partner in the Marshall Field store in Chicago—a store which has earned joint fortunes for its owners amount to over \$600,000,000. Mr. Selridge had retired from business, when, growing tired of a life of idleness, he turned his eyes towards London and ultimately founded the huge business in Oxford street.

### OLDEST RULER OF EUROPE

Prince Regent of Bavaria a Ninety years of age.

The oldest ruler in Europe is the Prince Regent of Bavaria, upon whom the occasion of his ninetieth birthday, recently, King George conferred the Order of the Garter. He has had the unique experience of acting as regent of that country during the insanity of two kings. Twenty-five years ago the Prince Regent's nephew, King Louis II. of Bavaria, was declared insane, and the Prince was proclaimed regent. Three days later the king committed suicide, and was succeeded by King Otto, who is now sixty-three years of age, and who has been insane since 1875. The Prince is extremely popular in Bavaria on account of his sporting proclivities.

### Whole Wheat Bread.

London doctors interested in the nutritive value of foodstuffs have issued a document in which they recommend the use of whole meal in making bread instead of fine white flour. It is maintained that there are in the whole meal two and one-half times the amount of mineral substances that nourish the body.

Some medical men earn their money by inventing complaints with new names. See covered easily cured.

"8c. less for Flour! How did it happen?" "I used 'BEAVER' Flour last year. It makes so much more Bread and Pies and Cake, that I did not have to buy so much of it. I am using it this year, too."

### MEANING OF THE CROSS

This cross (in red) has been adopted in Canada and all over America as the emblem under which the Crusade against Consumption is carried on. Every reader knows of the ravages of this disease; how, too often, the bread-winner of the family falls a victim, or the young man or young woman, with a promise of a happy and useful life, is stricken down.

This modern Crusade, like the one of old, is a winning fight. The death rate from Consumption in this province shows a decrease of over 25% in the past few years.

Nearly 6000 of these poor sufferers have been cared for in our Consumptive Homes in Muskoka and near Weston. To-day we have 300 patients under treatment—patients who, if they had the money, could not through fear of contagion gain admittance into other hospitals.

In the Muskoka Free Hospital alone we are now caring for 156 patients. 128 of these cannot pay a single cent for the cost of their maintenance, 15 pay 70c. per day, 1 pays 57c. per day, 12 pay 50c. or less per day.

Our Trustees, having faith in the generous-hearted people of Canada, have continued to carry on this work during the past year.

Money to pay doctors, food, nursing and caring of these sick ones, is urgently needed. Will your readers help and have the joy of sharing in a work that has the promise of the Master's reward?
