This is Contention of on Waterways Leg and Ford Also Add Conclusion of Case ed Late This After

(From Tuesday' That the purpose o by the provincial gove cember, 1910, declarit of the A. & G.W. be part of the general province, was a legis was the declaration of counsel for the Roya his argument on the vesterday afternoon, J sel for the Alberta and ways Railway, conclu ment early in the af followed by Frank F then by Mr. Bennett ished his presentat when the court adjour continue when the co ten o'clock this morn Lennett has presente he will be followed by tives of the provinc K.C., and E. P. Davis. sion to the argument r late this afternoon. The mandate of th Moss declared, in argument, was that th bank should be paid treasurer of the provi a bank which might ac the government. In cheque was for more treasurer could have interest had accrued. were not in the bank s to meet the cheque.

Constitutional Aspec Frank Ford, K.C., re Canada West Constru went at some length tutional aspect of the vincial legislature had the British North Americ direct taxes on propert in the province. To pro the province its jurisdi extend. Where the prov how would it have ther confiscate. Property for of confiscation must b clusively within the terr of the province. If the deposited in the Royal thing to be confiscated money never was actual vince. The Royal Bank I its Alberta Agencies an would remain. For monthe bank would have to head office and could b province in which that cated. At the head office in Montreal, Quebec, M gued, was the "location ally legislate to affect held in the United State against a National Bank tered only in the state bank had its head offi principle would apply erating in Canada un

Legislative Burglarizing Mr. Bennett, following rected the attention o the argument that the st effective to accomplish simed at in other W statute showed no inte lative burglarizing of th Royal Bank. The langua tute was not sufficient unambignous. It made to the branches of th merely to the banks. Ar established that the ban in the control of the pr ing could be read into had to be taken jus The money was payable urer of the province and was made to have it paid Imperial Bank in part set provincial debt. No atten made in the statute to "situs" to the debt, the assumed to stand in the branches of the Royal, Dominion banks. No "s been ascribed to the fund lature, the court was b do something which the had not done. Again the ed never existed in rea sale of the bonds had n pleted. Alberta, so far as its
