### R. C. Cathedral.

Rt. Rev. Monsignor Roche preached at the R. C. Cathedral last night. Taking his text from the Epistle of St. James, 1st chap. 22 to 27 verse: "Be ye doers of the Word and not hearers only deceiving your own selves, etc."

The preacher then in eloquent terms went on to show that our Divine Saviour's Gospel of charity and the doctrine of almsgiving had reformed the world. Under the old law bloodshed and cruelty were quite common, and men delighted in acts of torture. The teaching of our Saviour changed all this, and the first Christians were the great models of charity and brotherly love. The necessity of giving alms was inculcated by the preacher, for our Lord said: "Faith without good works is dead." There should be more consideration for the poor and destitute, and those who have riches, more than they require, should give of their abundance; they should be doers of the word and not hearers only. Some people excuse themselves from giving alms on the grounds that the recipients may not need assistance and they may be acting the part of impostors. The giving of alms even then will not lose its merit as far as the donor is concerned. It is better to give even to one who imposes on the donor than not to give at all. The rich should give of their abundance to help the poor. The application of the Gospel of Christ was the only remedy for bringing about amelioration in their condition. The poor, said our Divine Lord, are always with us, and thereby an opportunity is given to the rich to acquire most in the sight of God by being kind and charitable to them. The teachings of so-called Socialism are ineffectual and founded on wrong principles. The Monsignor quoted in a ready and learned manner from the scriptures the principal texts bearing on the subject and so made it quite clear to the congregation that the greatest of the virtues was charity, and that when St. James spoke of "doers of the word he meant people who helped the poor."

### Concert at Grate's Cove

Wednesday night, the 20th ult., at Grate's Cove was a night of enjoyment. The members of St. Joseph's Club accompanied by some of the most popular ladies of Grate's Cove, and also a number of school children, presented themselves at the second concert this year. Songs, recitations, solos, duets, dialogues and marches were given. Interesting features were a drill and an illustrated song, "Nothing bothers."—Com.

### P. S. A. Meeting.

Another successful P. S. A. meeting was held yesterday afternoon. Mr. Lowther, of the St. John's School of Art, delivered a lecture on "The Relation of Art to Religion." The address, which was impromptu, was very interesting. Mr. Lowther showed that religion and art could not be separated in the consideration of eternal love and eternal truth. A delightful solo was rendered by Mr. S. J. Tucker, whose singing of "Abide with Me" to a new setting was a real treat. Mr. R. Kendall presided at the instrument.

### No News of Him.

I. G. Sullivan Saturday had a wire from the friends of Thos. Russell, of Bonavista, who is missing from the Aurora, asking if there was any news of him from the Neptune. Sergt. Byrne repaired to that ship and closely questioned the officers and none had seen the man while the ship was at Pool's Island before starting for the sealfishery. The belief is now entertained that Russell accidentally and unobserved by others of the crew fell overboard from the Aurora while she was proceeding north from this port and was drowned.

**HOP BEER SAMPLED.**—Yesterday Head Const. Peet and Sgt. Byrne visited several shops in the West End where hop beer is sold and took altogether 5 samples of the beverage from as many shops. The intention is to have it submitted for analysis, and more will be taken later for a similar purpose.

MILNARD'S LINIMENT LUMBER-MAN'S FRIEND.

**FERRY AT PETER'S RIVER.**—The Government would do well to provide Mr. Michael Stamp with a better ferry boat at Peter's River. A leaky old boat is a poor outfit. Certainly they should not expect Mr. Stamp to supply a boat out of his small salary of \$80 a year.

**TO ENCOURAGE SPORT.**—The Anglo-Newfoundland Development Co. are practically evincing their interest in sporting matters at Grand Falls. Recently they allocated \$500 to improve the cricket and football grounds there, and this will give a decided impetus to both games.

**LOST ABOUT \$40.**—A man named Aylward, of Fogo, reported to Sergt. Byrne to-day that on Saturday he had lost between \$35 and \$40 from his pocket. He is not sure, but he strongly suspects that the money was stolen from his pockets and he suspects persons in a place where he had some drink.
