DISPROPORTION OF SEXES. LONDON, June 25. tion Army, giving evidence to-day before the birth rate commission, expressed the opinion that the birth rate would suffer owing to the lack rying. The disproportion of the sexes, he said, had now assumed a menacing aspect. One of the most vital considerations in connection with Empire reconstruction was the question of the more equal distribution of the sexes throughout the British Empire, which among other things would tend the dominions. Commissioner Lamb migrated ten thousand single women to the dominions. The number of Then with all the bases loaded- failures had been under one half of one per cent.
