**Fisk Tire and Rubber.**

1919—\$48. 1921—\$9.50. NOW \$18.50.  
Present production is 20,000 tires daily, and plans are being made up to 24,000. In 1921 the company acquired the entire property of the Federal Rubber Co., consisting of 230 acres in Massachusetts and smaller plants in Rhode Island, and this Spring it contracted with the Durant Motor Co. for its entire 1922 requirements.  
Although present prices are double the low of last year, we believe considerably higher prices are in store for Fisk Rubber Company.
