S. A. Service.**NEW OFFICERS WELCOMED.**

All day yesterday members of the Salvation Army, No. 2 Corps, were privileged by having their services conducted by Adjutant and Mrs. Hillier, who have been appointed to take charge of the work of the Corps. The meeting was well attended and the new officers were made to feel quite at home. In the morning several comrades in speaking referred to the pleasure they felt in having the new officers with them and expressed their intention of heartily supporting them in their good work. Adjutant Hillier gave a very interesting address based on the words "Thy Kingdom Come." He showed the blessings that would accrue to mankind through the coming of God's Kingdom on earth, and explained the part which men and women could play in bringing this about.

The usual meeting of praise testimony took place at 2 p.m. Mrs. Hillier gave a short address based on the parable of the Loaves and the Fishes. At 7 p.m. a Salvation meeting was held when words of welcome were spoken on behalf of the Corps by Sergt-Major Cummings and Deputy Bandmaster A. Harbin. Adj. and Mrs. Hillier replied stating the pleasure they felt in being appointed to No. 2 Corps and their determination to use their best efforts in pushing forward the work of God in their new field of labor. After a selection from the band the Adjutant, taking his text from Luke XIV, preached a thoughtful and impressive sermon, showing the bounty of the Creator in providing for man's spiritual good, and urging his congregation to accept his gifts. Adjutant and Mrs. Hillier have had considerable experience in Salvation Army work, and come to their new appointment with a record of faithful and successful service. We feel sure that they will be a valuable addition not only to the Salvation Army forces, but to the religious life of the community generally.—COM.

St. Joseph's Regatta.**SIX RACES ON PROGRAMME.**

The Regatta and Garden Party which takes place at Quidi Vidi on Wednesday afternoon in aid of St. Joseph's (Hoytestown) parish is attracting a lot of attention. The races promise to be well contested. On Saturday the District crews in the Nellie R. and Cadet were out and made exceptionally good time.

The Guards Old Comrades were in the Nellie R. and showed up well. The C.C.C. and C.L.B. crews will have a spin this evening.

The Outer Cove fishermen had a spin during the evening and tonight crews from Flatrock and Fortugal Cove will have a tryout. Knowing the Mercantile crew are rowing in the Amateur race.

In all there are six races on the programme: Amateurs, Old Comrades, Intermediate, District, Fishermen and Championship. The Committee in charge is as follows:—

Time keepers: Messrs C.E. Hunt, and A. McNamara.
Judges:—H. J. Russell, President, M. G. O. C.; E. Chafe, President C.L.B. Old Comrades; W.J. Higgins, Vice; President Regatta Committee; Lt. Col. G. T. Carty, W. J. Martin, P. F. Collins, President C.C.C. Boat Club, and Capt. E. English, Jr. The races will be conducted the same as on Regatta Day.

Bay Bulls Briefs.

The fish, which have been very plentiful for the past month, have now apparently moved up the shore as the catches for the past two days are very small. All the traps have secured very profitable catches with the exception of one or two who struck very unlucky berths. Wireless Bay has also done fairly well, but not as well as the prosperous fishermen who live in Bay Bulls, and for the past four years have made good voyages.

We are delighted to welcome the many visitors who have been spending their vacations here the past month. They speak highly of the delightful weather and the refreshing sea breezes which are to be found here, and especially of the delightful hotel accommodations.

Mr. and Mrs. Coady with their daughter and son, who have been spending the holidays with their relatives in Bay Bulls, intend soon to return to New York, where Mr. Coady has been very prosperous in business.

When baking a cake, keep in the sink a pan of cold water in which to dip all soiled utensils as you finish using them. They will be easier to wash.

Susu in Port.**FISHERY REPORT NOT SO GOOD.**

S.S. Susu, Capt Roberts, arrived in port from the Fogo Mail Service at 5.30 a.m. yesterday. The Captain reports the fishery somewhat backward in the district and the catch much below that of last year. The Susu brought the following passengers: Messrs. F. Roberts, E. G. Wornell, H. Roberts, S. Barbour, J. Hogan, G. Blane, S. Burge, S. E. Elliot, B. C. Godney, Misses R. Jones, Lane, Edgar, Hanlon, Marsh; Mesdames A. Bugden, Blane, Whiteway, Mullett, Fisher. The ship sails again at 2 p.m. Tuesday.

Digby Has Large Cargo.

Messrs. F. W. Withy & Company have been advised that the S.S. Digby, due here on Thursday next from Liverpool, is bringing some 1600 tons of cargo. Included in this amount is 750 tons of salt, which is being imported by a local concern. The ship has also has also some 5000 cases of whisky, which will be landed here for transshipment to St. Pierre. Seventy-eight passengers are on board, thirty four of whom are in transit to Halifax and Boston.

Personal.

Colonel Peters, M.D., D.S.O., is a passenger from Montreal by the "Manos" due on Thursday. Mr. Alex Robertson of Bishop Sons and Company, Ltd., is also returning by the same steamer.

Mr. C. W. Hayward of Grand Falls, who has been in the city on a short vacation, returned home by yesterday's express.

Rev. Hammond Johnson, who assumes the pastorate of Gower Street Church, is a passenger by S.S. Manos due here on Thursday. He is accompanied by his family.

Miss Ida Simmonds left on Saturday by S.S. Rosalind for New York on a visit to relatives.

Shipping Notes.

Schooner Cape Pine which has been purchased by a St. Pierre firm sailed yesterday morning for the French Colony in ballast.

Schooner Vera Himmelmann, belonging to Lunenburg, N.S., arrived from the Banks last evening for ice and bait. The vessel hails for 1200 qts. and reports fish fairly plentiful. The Himmelmann is now on her third trip having been back to her home port on two occasions with full loads.

Household Notes.

On hearts of lettuce place thin slices of cheese. Arrange one-fourth-inch slices of firm currant jelly around cheese, moisten with mayonnaise.

Cut strips of light dough into dice and drop into hot lard. Stir until brown and drain. Sprinkle with a little salt. These little cakes are nice for a light lunch.

If you wish to have a growing plant as a centerpiece, and do not wish your table service marred, cut a piece of rubber sheeting the size of the centerpiece and place under it.

Try spicing walnut meats. Boil 1 cup of sugar with ¼ cup of water until syrup hardens when tried in cold water. Stir in a little cinnamon, ginger and 2 cups walnut meats.

When taking a cutting from a plant form the habit of rubbing a bit of damp earth upon the end of the slip and also upon the spot where it was broken off. This prevents what is called bleeding—a loss of sap—and saves the vitality of both. It is putting salve upon an open sore.

It is a difficult matter to cut away the material under lace insertion with out severing a wrong thread unless means of overcoming the trouble be employed. Use a piece of cardboard four inches long, rounded at one end and cut wide enough to slip along between lace and the material. This will make the work easier and safer, until needed.

To remove ink spots from wash goods, melt a piece of tallow, plunge the ink spot into hot fat, then wash the piece at once and the ink will disappear, unless it is a colored garment which will not wash; then drop melted wax on the spot, let it become hard and remove with a sharp knife. The ink will be soaked up by the wax, and if any stain remains from it, place a clean piece of blotting paper over it and press with a hot iron to draw it out.
