FRIDAY MORNING, DEC. 1, 1882.

ONTARIO LEGISLATURE This legislature has been called to meet for the despatch of business on

De

ember 13ch. It is not very likely that the session will be either a long one or noted for any great addition to the laws on the statute books of the on the Governor General speeches in Province, as it is very largely the rule British Columbia, remarks that their with Parliaments about to go to the time is sanguine and obtimistic, be-sountry for a renewal of confidence, to traying no sign of the existence of the allow public opinion to suggest further Imp ovements and ponder over the useful or unuseful legislation of the difficulties. past. This is especially applicable to

the Legislature of Outario, whose ase of power is shortly to be broken by an appeal to the supreme court of Splen tid sleighing and good prices the country-the people. Its term make farmers feel happy, and cause of dise has been justly characterized them to patronize the stores. Tue !!

an Award concedi g to Ontaric one hundred thousand square miles of territory, and containing an inexhaustible supply of wealth against direct taxation in the future. If so, the effect was committed on two day instead or one not on the merits of the case; that nether the tests nor the evidence was claim in the future. If so, the electors of the Provinces will have no difficulty in choosing the Mowat Gov-ernment, which has proved itself a friend to Ontario and its rights, against a party whose policy is one of political particle and fratricide.
Editorial Notes.
The London Times, in commenting on the Governor General speeches in British Columbia, remarks that their the speal and bave the and head without for the is sang time, and obtimistic, brit taying no sign of the existence of the chiral tor the first time, and fadtery managers and have the addited. They wears ago was one of the chira the darging interest in the county for the first time. The Stratford Times of this weak that their they sign to sign of the existence of the chiral tor the root, either the many interest in the county for the first time. I have the additional time. The stratford Times of this weak the farmers feel happy, and cause them to patronize the stores. The merchants who have been praying for business, feel that their prayers were such vast quantities of milk are the in the comity of the forom. If it is necessare there, it is much more so in the comity, were such vast quantities of milk are the in the tories the shores. The farmers of the neighborhood of Stration of all with the transment to see and there will be browed to the there is a single more the statement to the been praying for heart are mide to feel happy by getting only about 88 to 90 cets, for their when', it is more than the the there is a milk in the tories of the maprimes. as one marked by the enactment of merchants who have been praying for useful and wise laws for the simplifi- business, feel that their prayers were cation of the administration of ju-tice, such as the Judic-ture Act, as well as farmers of the neighborhood of Statan assiduous attention given by the ford are mide to feel happy by getting executive to the development of the only about 88 to 90 cts, for their wheat ag icultural, lumbering and general h w great would be their happing trade of the country, without forgetting to would a purely national sentiment. did before the days of the N.
