To the Editor of the ADVERTISER:

Can a teacher keep a child over 5 out of school because they have no certificate for vaccination? Is the Simcoe street school not a free school for children of the city to attend; and have the School Board of this city any ambition in the least to have the man they have for a principal over it? An answer will greatly oblige a citizen.

SIX PRINCIPLES OF HEALTH.

When These Are Understood and Live Up To, Preventable Diseases Will Disappear.

Students of the laws of health have at least systematized the health-giving principles. As now written, they are "air, food, sieep, exercise, recreation and dress."
To these six should be added another, "mental activity." This seventh principle overshadows all the others.
