Catarrh

The cause exists in the blood, in what causes inflammation of the mucous membrane.

It is therefore impossible to cure the disease by local applications.

It is positively dangerous to neglect it, because it always affects the stomach and deranges the general health, and is likely to develop into consumption.

Many have been radically and permanently cured by Hood's Sarsaparilla. It cleanses the blood and has a peculiar alterative and tonic effect. M. J. McDonald, Trenton, Ont., writes: "I had catarrh, my system was weak, blood was bad, and my liver torpid and inactive. tried many medicines without benefit until began taking Hood's Sarsaparilla. This medicine has completely cured me and I highly recommend it to all sufferers."

A large supply of hay caused the market to be a shade easier than on any other day this week, but still so many farmers will persist in bringing in hay on Saturday, the poorest hay market, as a general thing, of any day of the week. Dressed hogs were more plentiful today than on any other one day for some time, and the price was easier, from \$8 to \$8 25 per cwt being the highest figure eached for the very best of the offerings. Butter, eggs and poultry remained unchanged in price, the supply being quite plentiful enough to meet all demands. In fruits and vegetables there were no changes in price from last quotations. Good hand-picked apples are selling at from \$2 to \$3 per bbl, and find ready

buyers at these figures.

IRRITABLE

Should be Pitied - Not Blamed -Men Don't Understand How They Suffer When They Cry, "Oh, Don't Speak to Me."

All manner of extravagant expressions are possible when a woman's nerves are overwrought.

The spasm at the top of the wind pipe or bronchial tubes, "ball rising in the throat," violent beating of the heart, laughing and crying by turns, muscular spasms (throwing the arms about), frightened by the most insignificant occurrences - are all symptoms of a hysterical condition and serious derangement of the female organs.

Any female complaint may produce hysterics, which must be regarded as a symptom only. The cause, however, yields quickly to Lydia E. Pinkham's Vegetable Compound, which acts at once upon the organ afflicted and the nerve centres, dispelling effectually all those distressing symptoms.

Mrs. Lowis Says: "I Feel Like a New Person, Physically and Mentally."

"DEAR MRS. PINKRAM: —I wish to speak a good word for Lydia E. Pinkham's Veretable Compound. For years I had ovarian trouble and suffered everything from nervousness, severe headache, and pain in back and abdomen. I had consulted different physicians, but decided to try your medicine, and I soon found it was giving me much relief. I continued its use and now am feeling like a new person, physically and mentally, and am glad to dd one more testimonial to the value of your remedy." - Mrs. M. H. LEWIS, 2108 Valentine Ave., Tremont, New York, N.Y.

Writing to Mrs. Pinkham is the quickest and screst way to et the right advice about all female troubles. Her address is Lynn, Mass. She advises women free. Following is an instance:

Mrs. Haven's First Letter to Mrs. Pinkham. "DEAR MRS. PINEHAM: - I would like your advice in regard to my troubles. I suffer every month at time of menstruation, and flow so much, and for so long that I become very weak, also get very dizzy. I am troubled with a discharge before and after menses, have pains in ovaries so bad sometimes that I can hardly get around, have sore feeling in lower part of bowels, pain in back, bearing-down feeling, a desire to pass urine frequently, with pains in passing it; have leucorrhoa, headache, fainting spells, and sometimes have hysteria. My blood is not in good condition. Hoping to hear from you, I am, Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa."

Mrs. Haven's Second Letter. DEAR MRS. PINKEAM: - I wish to express my gratitude for what you have done for me. I suffered for four years with womb troubles. Every month I flowed very badly. I got so bad that I could hardly do my work. Was obliged to sit or lie down most of the time. I doctored for a long time, but obtained no relief. I began using your remedies—Lydia E. Pinkham's Vegetable Compound, Blood Purifier, Sanative Wash and Livas Pills—and new feel like years were and the property of the prope Liver Pills - and now feel like a new woman." - Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa. (Feb. 1, 1900.)

REWARD. — We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find that the above testimonial letters are not genuine, or were published before obtaining the writer's special permission.

An Echo of the Great Exposition of 1900.

Mr. J. G. Jardine, Canada's Commisstoner, Tells an Interesting Story of the Splendid Results Obtained by the Use of a Canadian Remedy.

Toronto, Dec. 6.-The great World's Exposition held in Paris last year saw very many visitors from all parts of the globe assembled in the gay French capital. Canada was well represented

both as an exhibitor among the nations and as a visitor, many of our best people having attended. The interests of the Dominion were looked after by a very capable and intelligent company of patriotic Canadians among whom one of the most conspicuous was Mr. J. G. Jardine, of 305 Crawford street, this city. Mr. Jardine's duties as Commissioner en-

tailed a vast amount of hard work which made great demands on his physical health and strength. He is authority for the statement that he found Dodd's Kidney Pills, that best known of Canadian medicines, invaluable as a tonic during these trying times. He says: "They relieve backache instantly and tone up the system generally as nothing else seems
