People of this birthdate are invincible to argument and cannot he talked out of a thing; but if their feelings are hurt, they are ant to lose heart, and abandon whatever they have undertaken. Their great sensitiveness leads them into the most absurb extremes. They are as strong as giants and as weak as shables. They are very fond of long voyages and travel.

People of this date are renerous and full of sympathy for the public good, but they demand a full independence to develop the same. They are often capricious and frequently change their occupation.

The governing sign of this date is Cancer, the sign of the Crah, and the head sign of the Water Tribilicity. The governince planet is the Moon, and the birthstone is a black onyx. The astral colors are green and russet brown.
