Canadian Press Despatch. Hamilton, Oct. 25.—In a strenuous battle which went twenty minutes overtime in a heavy rain Hamilton rowing club defeated Varsity in the senior O. R. P. U. fixture here yesterday. The score was 11 to 9.

A slippery ball and a muddy field had their effect on the play, but on the whole it was football of the first order. The score remained low in the first half, but the game speeded up in the third quarter when Varsity had a three-point lead. Rowing club tied the score when there was less than a minute to go, necessitating twenty minutes overtime.

Hamilton's winning points came in the final ten minutes. Crawford was the outstanding star for the winners, receiving able assistance from Elford and Wright. Creighton and Bentley played a fine game for the visitors.

Sarnia's Aerial Attack With Soggy Ball Gives Them 8-1 Win and Title

Manore, Falling On Bouncing Ball in Second, Gave Sarnia Try and Londoners Unbeatable Handicap

1,000 SEE STRUGGLE IN QUAGMIRE

Special to The Advertiser. Sarnia, Oct. 25.—London's interest in the intermediate O. R. P. U. campaign was closed out here Saturday afternoon, when Jack Newton's blue and whites waded through mud in rain-soaked sweaters to an 8-1 victory, which carried with it the championship of the London district. Incidentally the Shaw cup now becomes the property of the Sarnia club. Three straight wins over Huestis and his clan demonstrates the clear-cut superiority of the Borderites this season, and they are now expected to go further with the champions of other districts.

The game was played in a drizzle, which lasted all afternoon, and turned Bayview park into a veritable quagmire. A thousand fans who refused to have their enthusiasm dampened, saw the teams go.

Sarnia's defence held up splendidly against the plunging London line. Somerville and Leamy for London, Karn and Perry pulled off some nice runs during the game. Manore's touch was the first score of the game in the second period. McPhedran punted to the line, and Yip did likewise for London.

London played aggressive football in the third, but it was futile against the stalwart Sarnia defence and Goodman was caught behind the line for the last point of the game.

First Quarter. McPhedran kicked off and recovered his kick at London's 45-yard line. Sarnia kicked to Foster on London's 15-yard line on the next down. Foster kicked to center. CENTRAL FIGURES IN ARGON-TIGER FRAY. Toronto Argos slipped one over their ancient rivals, the Hamilton Tigers. Saturday, in a game that was packed with thrills. Dr. Quinn, former Queen's star (on the left), and "Sport" Hamby (on the right), had a lot to do with giving the fans new sensations. Quinn's work on the back line kept the Tiger Kings in the game, while Hamby's efforts bordered on the sensational and took the Scullers up in the lead.

Queens Continues March To Intercollegiate Title

Tri-Color Smothers McGill Gridders For Second Time in Succession.

SHAGMEN WEAKEN

Canadian Press Despatch. Kingston, Oct. 25.—Queens continued their march to the intercollegiate championship and won their twenty-third straight game by defeating McGill at the Richardson stadium on Saturday afternoon by the score of 14-0. On the whole it was good rugby, though nothing out of the ordinary, except for the sensational running of Batstone and Chantler. The kicking of the Queens captain and the sterling line work of the red and white team was a game in which both teams had to work for their points, that element of luck which became prominent in the Varsity game here and the game in Montreal being absent.

The champions were without the services of "Pop" Leadley for three-quarters of the game, due to a knee injury. The kicking was somewhat under the weather, but Batstone rose to great heights and kicked off to Perry, who started on end runs. His field goal was a beauty, while his punts were far better than those of St. Catharines, who, if anything, below the form he displayed in Montreal. St. Catharines' kicking was generally poor.

But it was on the line work that McGill excelled. They held like a stone wall in the first two quarters, and in the last half was going good, though it was in the last quarter that Queens started to gain through the line. McGill plucked through Queens' line for yards three times in the first half, but in the second half they were only able to force a converted try and a goal. SCULLERS EVEN COUNT AGAINST ANCIENT FOES

Striped Cats Forced To Take 7 to 3 Defeat at Toronto.

SENATORS ON TOP

Canadian Press Despatch. Toronto, Oct. 25.—Argonauts evened the score on their ancient foe at the stadium Saturday, the double blue Senators, the yellow and red of the Hamilton Tigers, with a 7 to 3 defeat.

The victory placed the Scullers in a tie with the Tigers for second place in the Interprovincial Rugby Union, while Ottawa took top position, showing Montreal A.A.A. to the bottom berth by a 7 to 1 win on the M.A.A. gridiron.

The striped cats were only caged after a hard battle, which broke in the third period, and the Argonauts, by some brilliant work, tallied the lone try of the game. For the first two frames, the Argonauts played on even terms with the Senators, but when they were finally pulled to earth the passed the ball to the ever-ready Cap Fear, and he carried it to the Tiger 5-yard line.

Two backs failed to penetrate the line, but the Argonauts made the distance for the 5-yard line, which Art Smith converted. From then on the Argonauts were in the lead, and they were in the lead for the rest of the game.

TWIN CITY HOLDS LOOP LEADERSHIP

Strong Galt Aggregation Goes Down To 5 to 3 Defeat.

GETS EARLY START

Special to The Advertiser. Kitchener, Oct. 25.—The Kitchener-Waterloo Intermediate O.R.P.U. team maintained its position at the top of the local rugby group by defeating the strong Galt team 5 to 3 here Saturday afternoon, making it three straight wins for the Twin City team.

As the score would indicate, it was a hard-fought game, and at no time was there a greater margin than three points between the two teams, although the Twin City squad led from start to finish mainly by reason of Ben Ferguson's field goal early in the first quarter.

When the Galt aggregation, which was a strong team, met them, it was a squabble, and Saturday was no exception with the result that in the first quarter the Twin City team was in the lead, but Ben Ferguson's field goal early in the first quarter.
