COMFORTING PRISONERS. THE GOOD WORK PERFORMED BY THE AID ASSOCIATION.

The ninth annual meeting of the Toronto Prisoners' Aid Association was held last Prisoners' Aid Association was next that jected enterprise of the company which in Shaftesbury hall. There was a not without interest to the public, affecting

receipts and expenditure for the fifteen months ending Dec. 31, 1882. Receipts from all sources, \$2269; disbursements, A bill of the fifteen granted.

A bill of the fifteen granted. The government cab grant for conveying teachers to and from the different places of correction for the fifteen months was \$875. The disbursements under this head were: Teachers to Central prices of the control of the was \$875. The disbursements under this head were: Teachers to Central prison, \$448.25; teachers to Wemale reformatory, \$264.75; preaching service Central prison, \$117.30; preaching service Female reformatory, \$114; total, \$944. There was a deficiency of \$60 in this account, which was made undergone serious expense and loss owing to an illegal tax sale over which the suit had arisen.

On motion Ald. Davies a compensation of \$100 was allowed.

Accommunication was received from Father Brennan requesting a settlement of matters between the separate school board and

of \$69 in this account, which was made up out of the balance of \$567. leaving a real balance of \$479.

The Rev. Dr. Thomas moved the following resolution: "That the reports presented to this meeting and the association, and branches thereof, be adopted, and that 1500 copies be printed for distribution among the subscribers." Mr. Gamble seconded the motion.

Rev. Canon Du Moulin moved: "That the work done by this association commends itself to the sympathy and support of the Christian public of the city of Toronto."

The mover said that what was commonly the commonly known as the criminal classes needed to be divided into two distinct classes: those who are case hardened, who have been in and

Mr. W. H. Howland seconded the resolution. He also dwelt strongly on the ne cessity of keeping young offenders apart from those who are hardened.

Rev. Hugh Johnston moved the third be given to Mr. R Christie as the representative of the government; to the city of Toronto and the members of the council. and private subscribers who have supported the association during the past year. Mr. Massie, warden of the central prison,

in seconding the motion, gave an interesting account of the practical workings of the association in the prison. He also urged the necessity for a rigid classification. Out of 700 prisoners last year 140 were there for from the second to the ninth time. These contaminated the rest by their evil influ-

gers take the necessary steps to have the association incorporated under the act respecting provident and other societies.

All the resolutions were unanimously
