LITTLE RE-ELECTED BY 1,960 MAJORITY; OLD ALDERMEN WIN

Three New Aldermen Are P. J. O. LONDON'S 1921 MAYOR

Watt, G. A. Wenige and
W. J. Boss.

THREE NEW FACES ON
BOARD OF EDUCATION

Grants To Children's Hospital
and Home For Incubables
Are Indorsed.

E. S. Little, majority candidate, in-
dorsed by the Citizens' Committee, was
re-elected chief magistrate of London
over the Labor Representative Com-
mittee candidate, Henry B. Ashplant, by a
majority of 1,960 in the elections held
on Saturday. Last year Mr. Little de-
feated Mr. Ashplant by 787 votes. There
was a larger vote polled this year than
last. Last year 8,137 votes were cast
for the mayoralty, as against 9,044 cast
this year.

Nine of the members of last year's
Council who offered for re-election
were returned—Ald. Brighton, J. C.
Willetts, Mr. A. T. Edwards, Mr. H.
Drake, Watkinson, Bridge and Moor-
head. This gives three new faces on
the aldermanic board—A. A. Wenige,
P. J. Watt and W. J. Boss. Mr. Watt
served on the Council prior to 1920.

In the Board of Education contest
three of the four old members were
re-elected. Though an error it was
announced on Saturday night that A.
Langford had also gone down in the
defeat of the official returns gave him
sixth place instead of G. M. Cooper.
There is a possibility of 17 votes be-
tween them. Mr. Cooper stated last
night that he might ask for a recount,
but it is believed that will not be done.

COL. GARTSHORE RE-ELECTED.

Lieut.-Col. W. M. Gartshore was re-
elected to the position of controller of
the city and the Board of Education.
B. A. Swindall, the labor candidate, by a
majority of 3,785.

The Children's Hospital by-law was
approved with a majority of 2,595, while
the Home for Incubables by-law re-
ceived a majority of 1,824. The rate-
payers defeated the motor bus by-law
by 1,122 votes.

Both majority candidates express
great satisfaction at the results. Mayor
Little addressing large numbers of the
citizens at the committee rooms and
from the newspaper offices, asserted that
the victory is not his alone, but one
for all classes of citizens. The people
have elected up to the mark. He stated
that there is no desire for any one class
to have charge of the affairs of the city.

Mr. Ashplant contends that instead
of being a defeat the returns show a
victory for the ones whom the rep-
resentatives of the people elected. He
states that he will not be discouraged
by the result, and that he will continue
to work for the betterment of the city.

THE RETURNS COMPARED.

The returns of the election of 1920
give Mr. Ashplant a vote of 7,877, while
he polled 3,643 this year. But Mayor
Little, who polled 4,262 votes last year,
received 5,602 on Saturday. Mr. Gar-
tshore, who was the third candidate in
1920, polled 1,141 votes, while Mr. Ash-
plant advanced by 78 over last year.

Little gained 1,441 votes, while Mr. Ash-
plant advanced by 78 over last year.

citizens at the committee rooms and

THE SUBDIVISIONS.

Mayor Little had a majority in 55 of
the 78 subdivisions. Mr. Ashplant had
a majority in 22, while there was a tie
vote in one. In subdivisions 1, 2, 3, 4,
5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16,

97, 98, 99, 100.

One subdivision in ward No. 1 (8),
which is situated south of the W. M. Gar-
tshore road, gave Ashplant 55 against 51
for Little.

In ward No. 4, subdivisions 62, 63, 67,
68 and 77, gave majorities to the Labor
candidate.

TWO LABOR ALDERMEN.

Two only of the aldermanic Labor
candidates were returned. Both in ward
No. 3—W. J. Ashton and F. R. Watkin-
son. They were members of last year's
Council also.

C. G. Moorhead polled the largest al-
dermanic vote of any of the other can-
didates, rolling up a total of 1,697 in
ward 4, where he was one of the con-
testants.

R. W. Watkinson in ward No. 3 came
second with 1,395. John Bridge in ward
No. 2 polled 1,355, while Mr. Ashplant
polled 1,367, while G. B. Drake and W. J. Ash-
ton in ward No. 3 followed with 1,228 and
1,220, respectively. W. J. Boss, labor
man in ward No. 4, came next with
1,058.

J. Cameron Wilson headed the poll
in ward No. 3 with 1,048, while F. E.
Hartley and W. J. Wilson took second
and third place, respectively.

In ward No. 1 B. F. Bright headed
the poll with 803 votes, followed by F. J.
Watt and G. A. Wenige.

W. J. Boss, P. J. Watt and G. A.
Wenige comprise the new members of
the Council. J. Bridge, F. E. Hartley,
C. G. Moorhead, F. Watkinson, G. B.
Drake, W. J. Ashton, J. Cameron Wil-
son, W. A. Wilson and B. F. Bright are
the aldermen who were re-elected.

BOARD OF EDUCATION.

In the Board of Education, Rev. A.
A. Bloor, chairman, and the other mem-
bers of the board, headed the list. This
perhaps, provided the surprise of the
election. The board of education stood
on the Collegiate situation, being
opposed to the plan to erect a new
school in the North End and a partial school
in the south, were elected in fifth and
sixth positions.

Gordon Cooper, one of the number
who sought election on the central
school, was defeated by A. A. Langford
by only 17 votes.

BIG MAJORITY FOR "CLEAN-UP" CHURCH AGAIN MAYOR

Toronto Ratifies Purchase of
MacKenzie Interests.

Six New Aldermen Elected—
Two New Controllers Chosen

TORONTO, Jan. 1.—(Canadian Press
Dispatch).—Thomas Langton Church
was elected mayor of Toronto for the
seventh consecutive term in the munici-
pal elections here to-day, when he
defeated former Controller Samuel
J. McBride by a majority of 16,002.

This was Mayor Church's greatest
triumph in his record-breaking length
of service in the mayoralty, his major-
ity being 3,828 greater than in the 1920
election. Mr. McBride's total vote on
Saturday was 800 short of his vote in
the election last year. A year ago it
was a three-cornered contest with Mr.
McBride as the chief contender against
Mr. Church.

The re-election of Mayor Church was
no surprise. Even Mr. McBride's sup-
porter, Ald. William D. Robbins, was
taken that Mayor Church would prob-
ably win. The big electric deal put
through short time ago by Sir Adam
Beck, on behalf of the Ontario Hydro-
Electric Commission and the City of
Toronto practically made Mayor Church's
re-election a certainty, as he was
known as an active supporter of the
hydro movement from the first, whereas
Mr. McBride, who claimed to be
an ardent supporter of the hydro
as the mayor, was regarded as a late
convert to the movement.

TWO NEW CONTROLLERS.

Two controllers went down to defeat
to-day. Joseph George Rammell
and Robert H. Cameron. A third de-
feated candidate, William D. Robbins,
was a member of the Board of Con-
trols. The two new controllers, Arthur Russell, Nesbitt and
Wesley Hilz, were aldermen last
year. Controller Russell, who headed the
poll, and the other surviving
controller, Joseph Gibbons, was a
former alderman.

There are six new aldermen in the
City Council of 1921. Mrs. Sidney Small,
Henry M. Davy, George W. Cruise, A.
H. Wagstaff, Albert E. Hacker and
John W. Wilson. The two women al-
dermen now, Mrs. L. A. Hamilton
who was the pioneer woman in the
City Council a year ago, and Mrs.
Small.

Feature of the election for the
board of education was the defeat
of John Noble, chairman of the board
last year. A dead set was made
against Noble by a coalition of the
electorate for alleged extravagance in
connection with the city schools. Two
women members of the Board of Edu-
cation were defeated, Mrs. L. C.
Brown and Mrs. Ada Courtice. There
are four new members of the board.
Major B. S. Wemp, who defeated Mr.
Noble, ex-Ald. John Wansley, Benjamin
J. Miller, and Rev. H. A. Berlis.

THE BY-LAWS.

Four questions and one by-
law were voted upon by the
electors of this city, the only one re-
ceiving an adverse vote being the sug-
gested secession of North Toronto from
the city. Secession was defeated by
840 majority. The by-law was to au-
thorize partial exemption on dwellings
of the assessed value of \$4,000 or less.
This carried by a majority of 11,570.

The question as to the ratification
of the purchase of the MacKenzie in-
terests, known locally as the "clean
up," was favorably received by the
electors. The majority being 36,745. This
deal involves the expenditure of \$32,
734,000, of which Toronto's share of the
purchase price will be \$10,586,250. The
Ontario Hydro-Electric Power Com-
mission is paying the bulk of the finan-
cial burden in connection with the
"clean up."

The deal which was put through
recently by Sir Adam Beck, chairman
of the Ontario Hydro-Electric Power
Commission, is for the purchase of the
Toronto and Niagara Power Company's
plant, including the Electric Develop-
ment Company, Niagara Falls, Ont.,
and the Toronto Electric Light Com-
pany, a small one for a portion of the
Toronto and York Radial Railway System.

The question of Toronto adopting
daylight saving in the summer months
received a majority of 8,441, and a
question as to the taking of the
main as local improvements received
a majority of 31,202.

WILSON WINS IN FIGHT AT BORDER

riscoe Is Mayor of Chatham,
and Greb of Kitchener.

MAJORS ELECTED.

Chatham—F. H. Brisco.

Hall—D. R. S. E. Charlton.

Hamilton—D. J. Copley.

Kitchener—Chas. Greb.

Kitchener—H. C. Nickle.

Owen Sound—R. Patterson.

Peterborough—A. A. Nickle.

Waterloo—D. Bohlender.

REVEES ELECTED.

Point Edward—J. McMillan.

Port Stanley—Dr. R. W. Jackson.

Sarnia on New Year's Day elected a
labor man, Ald. George Crawford, as
mayor, and of the Labor slate one other
candidate reached the Council, one was
elected school trustee and a fourth
to the hydro commission. At Owen Sound
labor candidates indorsed by Labor
clubs achieved seats on the City Coun-
cil, one heading the poll. Owen Sound
separates went to the polls on New
Year's Day for the first time, the change
being made since incorporation as a
city. Elsewhere the Labor slate met with
no noticeable success. Three of five
candidates at Kitchener lost out, as
all as two veterans in the field as
such. At St. Catharines only one Labor
man out of six was elected to the City
Council, but he headed the poll. One
man candidate reached the school
board there. The L. L. P. had five can-
didates for Guelph Council and elec-
tion of the school board one of each suc-
ceeded. One Labor candidate was
