Too Late to Save Them, Says Dr.

CANNIBALISM

In Samara Region People Are

Killing One Another

LONDON, Jan. 30 .- (Associated Press expressed himself in a pessimistic manner in a statement to press representares this afternoon regarding the fam-

WORSE THAN WAR. "You may talk about the horrors of war, but these people suffer for weeks and months before they die. Their bodies are nothing but skin and bones, but the famine-stricken do not come to at state until many days have passed."

Asked if there was any truth in the reports of cannibalism, he replied that there was but said it was not widespread as yet. "In many places the people are eat-Samara regions they are beginning to kill one another."

Dr. Nansen will appeal to the British CANADA MAY HELP.

OTTAWA, Jan. 30,-"The Govern ent is prepared to consider means of operating with voluntary agencies, ould they succeed in effecting some ponsible relief organization of which vernment could approve," says a office to night relative to extend-relief to famine-stricken Russia. national organization, similar to 'Save the Children' fund in Great ain, is suggested as a means of rdinating Russian famine relief ef-

THE STATEMENT. The statement says in part: "The rnment had had under considera-representations from various ces respecting the existing famine ia and the need of co-operation by the different nations in the provid-ing of relief if human beings to the number of millons are to be saved from starvation. From such information as the Government has been able to obtain ild appear that it is not possible o exaggerate the acute distress and suffering which prevail throughout wide regions of Russia and which are to continue to prevail for some The famine, which is due primy to two years' severe drought in Volga region, is said to affect the s of 25,000,000 Russian farmers and illes. This, it is said, is ggravated by the dreadful destruction ans of transportation and agri-al supplies through the war, de, invasions and civil war, of hich Russia has been the victim for he last seven years. Men, women and en are reported to be dying by the thousands in the famine-stricken provinces. The food supply over wide areas is completely exhausted and there is lack also of seed grain whereby har-vest may be provided for the ensuing year. The calamity which has befallen those people calls for international help. Any relief to be effective must be forth-

GUELPH RAILWAY MAN FOUND DEAD IN BED

GUELPH, Jan. 30.—John Kelly, 72 Carden street, an employee of the To-conto Suburban Railway, was found dead in his bed this morning by his daughter, who had called him to get up living no reply to her calls, she en-red the room, when her father was scovered dead in his bed. Dr. Roberts called and after examination an-ced that Mr. Kelly had died some during the night from heart dis-Deceased had never complained ss. His death came as a great cek to his family and friends. He is revived by Mrs. Kelly and four chil-en and five brothers: Frank, Martin, chael and Thomas, of Acton, and trick, of Burlington, and his sisters, ichel and Katherine, of Acton.

Be Pretty! Turn

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost every one knows that Sage Tea and Sulphur properly compounded, prings back the natural color and uster to the hair when faded, streaked or gray. Years ago, the only way to get this mixture was to make it at some, which is mussy and trouble-ome. Nowadays, by asking at any rug store for "Weyth's Sage and sulphur Compound," you will get a targe bottle of this famous old recipe, moroved by the addition of other inredients, at a small cost.

Don't stay gray! Try it! No one can ossibly tell that you darkened your air, as it does it so naturally and yenly. You dampen a sponge or soft rush with it and draw this through our hair, taking one small strand at a me, by morning the gray hair disappears and after another application or your hair becomes beautifully trk, glossy and attractive.—Advt. ost every one knows that Sage

A Special Reason Why You Should Buy Your Electric Washer This Week

See this unequaled price; the extraordinarily easy terms; the machine itself—the famous Kribs' Miss Simplicity.

It washes thoroughly daintiest fabrics, or heaviest blankets. Wrings them, too, in its power-driven wringer. The big oversize electric motor does all the work of a weekly washing in about an hour, using less than a cent's worth of electricity. You are relieved of all the work, the fuss, the worry that makes washing a bugbear alike for women who are best with the bothers of outside help or the killing fatigue of a day in the tubs.

Miss Simplicity washes and wrings at just the right speed, but not too fast, for excessive speed risks injury to the sheer things that Miss Simplicity cleanses with never a rub of a thread.

Made of courses "the word stermal" with made of courses the same thread. rub of a thread.

Made of cypress, "the wood eternal," wih rustless bronze castings and brass screws
Miss Simplicity gives a lifetime of satisfactor y service.

FREE-LET US DO YOUR NEXT WASHING-FREE

The Hydro Shop is anxious to show you just what Miss Simplicity will do on your own things. Before next wash day come to the Hydro Shop or phone 7000 and arrange to have a machine sent to your own home. A representative will go with the machine, or if you prefer you may run it yourself. It is easily done. Just put the clothes in, touch the button and in 10 or 15 minutes they will be scrupulously clean.
