**BARRED PLYMOUTH ROCKS.**

In the pen a cock and four pullets, purchased and selected for me by the well-known poultry expert, Mr. Jarvis, of the Ontario Agricultural College, Guelph, who has also acted as judge for many years in the leading poultry shows of Canada and the United States. The cock is Thompson, bred at Canton, Ohio, it won 1st as a cockerel. Again under Bridge it this year tied for first place for cock in very strong competition. One pullet took 1st at Canton, Ohio, the other was one out of the pen which took first for the best breeding pen. The cock was also pronounced by Mrs. Comyns-Lewer, editor Feather World, London, Eng., who visited the great Toronto Poultry Show this year, as the most perfect type of the Barred Rock she had seen on the American continent.

Settings: 13 eggs, \$3.

Buff Rocks, choice 13 eggs, \$3.
