### A VALUABLE VETERINARY BOOK.

A little book which our readers have seen mentioned frequently in advertisements, and in the live stock discussions, called the "Zenoleum Veterinary Adviser," holds much that is of interest to farmers and stockmen, whether owners of few or many animals. It is valuable because it gives methods of treating along lines the commonest troubles that all classes of live stock are heir to. The book is carefully indexed, and was designed primarily to show the relation of the celebrated Zenoleum Animal Dip and Disinfectant to domestic husbandry economy. Zenoleum has come to be a very popular thing among owners of live stock in every state in the Union, in Canada and other foreign countries. Its standing among high authorities appears from the fact that forty-two Agricultural Colleges unhesitatingly give it their recommendation.

This book can be had free by any reader of this paper by writing to the Zenner Disinfectant Company, 70 Lafayette Avenue, Detroit, Mich., for it.

We believe readers who send for it will have cause to be gratified that we have called this matter to their attention. Take our advice and send for it right away.
