

## HIS GIFT.

A young man was deeply in love with a beautiful girl. One day she told him that the next day would be her birthday, and he laughingly said that he would send her a bunch of roses, one for each year of her life.

That evening he wrote to his florist, ordering twenty-four roses to be sent the young woman on the first delivery the next day.

The proprietor of the flower shop, looking over the mail in the morning, saw the order and said to the foreman:

"John, here's an order from young Mr. Flint for twenty-four roses. He's a mighty good customer, so put in a dozen extra ones."

And the young man never knew what made the girl so angry with him.
